

IAG's Auction Sale 80 Spectacular Highlights!

IAG's Sale Number 80, to be held on the Gold Coast on the 27th September 2014 presents once again a high quality, bargain packed offering of over 700 lots estimated at more than \$2 Million. Catalogues for this fantastic sale can now be downloaded from their website, and every single lot can be viewed in high resolution and bids placed online!

A selection of some of the many highlights includes a number of investment collectors' liquidated assets, including numerous Proof Coins, Banknotes and Rarities offered at a fraction of purchase costs!

A 1914H Specimen Proof Florin with superb pedigree is one of the key highlights. One of only three known examples,

this superb coin is Ex. the Birmingham Mint Collection, as well as several major Auctions from 1985 on, with the last realised price in 2011 of \$221,350. Esti-

mated at only \$100,000, this is a fantastic opportunity to purchase a genuine numismatic rarity at a true bargain price!

Other key items include a range of early

1914 Specimen Proof Florin. Estimated at \$100,000.

Just one of the superb mis-struck coins on offer

Some superb Proof coins being offered at IAG's Sale 80.

Rare 1 Pound Bank of New South Wales Superscribe. Estimated at \$65,000

Australian Commonwealth Pre Decimal Proof issues, including a Penny, Three-pence, Shilling and Florin from 1934, as well as a superior grade Proof 1937 Crown, a Halfpenny and Penny 1953, and a 1916 Specimen Shilling. Estimates start from only \$7,000 and up to \$20,000 for the 1937 Crown, with these all being offered at up to a fifth of original costs.

Other key items include a Holy Dollar and Dump, a collection of British coins, with a 1701 5 Guineas the highlight, a large and diverse collection of high grade and PCGS graded Australian Commonwealth issues from \$50 to \$15,000, including an UNC 1925 Penny estimated at \$12,000, a range of interesting and rare World Coins, superb Mis-struck coins, Bullion, World and Australian gold coins and so much more.

Banknotes of note include a 1 Pound

Bank of NSW very rare Superscribed issue estimated at \$65,000, along with many original, UNC George V in high grades including a consecutive pair of 10 Shillings 1928, a 10 Shilling 1942 and 5 Pound 1960 Starnote in high grade, as well as a full collection of Decimal Star-notes. Misprints, Decimal notes, solid serial numbers, radar notes, interesting serial numbered notes and first and last prefixes are just part of the substantial Banknote offerings in this sale.
