Welcome To IAGs Online Sale 13

Welcome to our lucky Thirteenth Major ONLINE ONLY AUCTION!

The huge volume of material we have received (1,120 lots) means we will again be running this live Online Only Sale over 2 nights!

Note: Due to the Auction running over 2 nights, we will NOT be issuing final invoices until Friday the 3rd May, and will start posting lots from Monday the 6th. Be mindful also that many of the items will be large/heavy sized parcels, so please wait until we have checked your invoice and added the correct amount of postage to it.

OS 13 is comprised of an excellent assortment of interesting and rare items from over 40 vendors (with several Estates). There are several good sized collections on offer, along with some excellent value rarities and a few high quality previously unsold lots (and one un-financial buyer's re-runs – mostly small lots, mostly unreserved as per our Terms and Conditions).

Highlights include a superb Proof 1938 Crown Pr 63, the highest graded with lovely fields and one of the finest known. Other fantastic highlights include a Type 12 Kookaburra Penny, a Proof 1934 Florin graded Pr 65+, a full set of PCGS graded Perth Copper proofs, an extremely well priced 1930 Penny starting at \$14,000 and an aUNC USA \$5 gold Half Eagle 1813. Other items of note include a number of Proof Halfpennies, with issues on offer from 1946, 1950, and 1954. Some nice gold includes two lovely coins – an 1858 and 1886M Half Sovereign in high grade.

There are also 28 Pre Federation banknotes, from promissory, to issued and specimen notes, including rare 50 and 100 Pound issues. There are a tonne of good Pre Decimal Banknotes from low priced issues up to rarities, a Hay Internment Camps 6d, a number of Starnotes, a large selection of Decimal notes including a lovely full set of pairs and much more. Other items of note include World and GB issues, Perth and RAM Mint products, a large selection of mis-strikes including a Mule Perth Mint silver 1 Oz, along with a huge selection of Pre Decimal Copper and Silver (including lots of PCGS), NPA and so much more!

Don't forget our important signature Live Floor Sale 90 in September 2019! This Sale will once again present a superb selection of some of the finest and rarest Coins and Banknotes! Keep an eye on our website for details! Keep an eye out also for our next Selected Vendor Sale (SVS 4) in June, as well as a Flash Sale sometime in August. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment. Payment on approved dealer/trade accounts must be cleared and finalised within 28 days of the sale.
 - 7.** Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.

Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.
 - 9.** No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**
 - 10.** If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale and storage, which shall then be recovered from the purchaser as liquidated damages.  - 12.** Estimates are given only as a guide, and not given as starting points for bidding. Where the start price is disclosed, lots may sell for a price greater than this start price as determined by bidding. All bidding will be in increments from the start price as set out by IAG.
