

IAG's Superb Signature Auction—Sale 88

IAG's next major Signature Auction – Sale 88, being held on Sunday September 23rd, is set to be another amazing sale. IAG believe it will be one of the best they have ever held! With 4 high-

light lots alone estimated at almost \$1 Million and total estimates at double that, Sale 88 is an event that every serious collector should ensure they don't miss!

Catalogues will be available in early September. The auction will be online to view and bid on from the 9th of September via IAG's website www.iagauctions.com.

Eleven larger collections and over 50 individual vendors comprise IAG's Sale 88, but the four individual key highlights that have everyone talking are the finest known Holely Dollar and Adelaide Pound Type II along with a consecutive pair of 20 Pounds Collins-Allen in gEF/aUNC. These stand out as some of the very best individual items to come to auction in recent years. The quality has to be seen to be believed, and they have already attracted significant attention from collectors and dealers from around the globe.

Other key highlights include a superb Proof Sovereign 1893M, which in virtually perfect proof state is not only very rare, but is also one of the nicest gold Proofs to ever hit the market. Estimated at \$40,000, it is sure to attract significant interest. A very rare Type 7 Kookaburra Penny is likewise a standout rare piece

Just One of the many rare Pre Decimal and Decimal Specimen notes.

The Finest Known Holely Dollar 1805. Estimated at \$500,000.

Type 7 Kookaburra Penny. Estimated at \$38,000.

Part of the Collection of Rare British Crowns.

in superior grade for this issue. This is estimated at only \$38,000, a mere fraction of the original purchase price! A Holey Dollar 1813 (1807/10) is a fantastic, approachable coin for those searching for an example of this rare Colonial issue. In nice average aFine/Fine grade, the coin has good details and nice obverse countermarks, and estimated at \$75,000.

Banknote highlights include two rare George V Specimens - a 10 Shillings and 1 Pound Riddle-Sheehan. There are also a number of Pre Federation issued and Specimen notes including two 100 Pounds, three Hay Internment Camps issue including one Specimen, a good selection of Specimens with eight in Decimal, a selection of NPA Trial polymer notes along with a great selection of Misprinted Banknotes. Other items of note include a \$20 Coombs-Randall pair graded GEM UNC 66 EPQ, a selection of Decimal and Predecimal Starnotes including a rare 5 Pound with mismatched serial numbers, a 10 Shillings 1942 Million Serials, First and Last Prefixes, Decimal and so much more!

Other significant coin highlights include a number of Pre Decimal Proofs, including a 1930 Halfpenny, one of only three known and reduced significantly to meet the market, along with a 1935

Halfpenny and Penny pair, a single 1935 Halfpenny, Pennies of 1919, 1938, 1944Y, 1948 and more. A collection of Copper includes key issues from 1914, 1915, 1915H, 1918, 1925, 1931 drop 1 and 1933/2 – all in Ch.UNC or better. There are also two 1930 Pennies, an 1852 Adelaide Pound Type II in EF, a number of 1923 Halfpennies, a 1922/1 Overdate Threepence, and a large quantity of gold, silver and copper Pre Decimal issues in high grade with many PCGS graded.

Just to round out the superb offerings are some rare and highly interesting Misstrikes, including a double “Tails” Penny and a George V full brockage Penny, along with a number of decimal misstrikes including a Baby Proof set with a uni-face \$1. There is a fantastic selection of British coins including a number of Crowns from 1551 on, as well as Gold issues including several sets, a superb selection of World Gold, Silver and Copper issues including a Jamaica counterstamp on a Pillar 8 Reales, Proclamation coins, Internments Camps, Decimal, Mint Products, unreserved, estate, bulk lots and so much more!
