Welcome To IAGs Sale 89

Welcome to our first Signature Auction for 2010, and what a cracking Sale it is! This amazing 900 lot auction has one of the finest all round selections (including so many fabulous banknotes) that we have offered in a while - 2019 is looking like a great time to buy! Less forced/liquidation sales has produced a lack of genuine quality items at attractive prices so don't miss out on this fantastic opportunity.

This year we celebrate 7 years of Online Auctions (the first to do so), and 34 years of Numismatic Auctions. We have some exciting upgrades and features coming soon – so stay tuned! Our SEVEN Auctions a year mean we are constantly turning over new and exciting material, with over 6,000 lots a year on offer! The recent deluge of general consignments has got us a bit behind (apologies for that), but we will be catching up with 2 subsequent auctions (a HUGE Online Sale in April, and an exciting “Selected Vendor Sale” in June). Check the website “Upcoming IAG Auctions” section for updated details, dates and times. With over 2,200 registered online members, thousands of online bids and 7 sales a year proves we must be doing something right!

Vendors Note: You can submit items for our auctions online via our website. List your items you wish to consign, add any details, upload pictures, retrieve invoices and even view your lots once listed all online. With more frequent auctions - 7 a year - means you get paid faster! For larger consignments, advise us, post them off and let us take care of the rest! And remember, watertight Qld Trust Account laws mean your funds are 100% guaranteed, with payment direct to your bank account 30 days after each Auction.

Some Sale 89 Auction Highlights and more...

Included in this auction are six major collections and over 40 individual vendors, with some superb highlights on offer, and a wide range of material across pretty much every major Numismatic area. Key Highlights include a 100 Pound 1924 Cerutti-Collins (R 69b) in VF/gVF. Estimated at only \$65,000, this rare and seldom offered high denomination note is sure to create some stiff competition!

The finest known Holey Dollar 1805 and the finest known gem grade Adelaide Pound 1852 Type II (featured in IAG's Sale 88) have had their reserves reduced to meet the current market, and are reoffered here at a very tempting price for two such key rarities that are the “Best of the Best”. A consecutive pair of 20 Pounds 1913 Collins-Allen (R 64) in gEF/aUNC will also again be on offer, and with a low estimate of only \$55,000 per note, they are sure to attract significant interest. This may well be your last chance to obtain these superb and rare items, so don't miss them!

Several large collections of Banknotes include a large selection of Pre Federation Issued and Specimen notes, including an exceedingly rare 1 Pound NSW Government Treasury issue along with a QLD Government 1 Pound. A 100 Pound issued note and two Specimens are other features, along with two 50 Pounds, a number of rare types including two different 10 Pound Specimens on Perth, a number of rare and quality issued notes including a lovely Sydney Deposit Bank 1 Pound, along with three different Superscribed issues and promissory notes including a 1 Shilling signed by John Weavell, note number 1.

Other highlight items of interest include a superb ASNCo Penny token, an extremely rare and popular issue often dubbed the ‘Three men in a Boat’ token. There is a great selection of Pre Decimal Starnotes, with a high grade 10 Shillings 1952 George V and a number of quality QE II

examples, as well as a complete run of Decimal Stars in various grades. There is also an extensive selection of Pre Decimal and Decimal First and Last Prefixes, some Specimens and Interesting Serial numbered notes, which includes a 10 Shilling 1942 with Million serial numbers.

Coin highlights of significance include a number of Pre Decimal Proofs, with Halfpennies of 1946Y, 1950Y and 1954, a 1953 Halfpenny and Penny pair, a 1919 Proof Penny PCGS graded PR 65BN and a complete Perth Proof copper set 1955 - 1963. Alongside these is a selection of high grade PCGS with some choice Copper, including in Pennies in MS 64; 1915, 1918 and 1931 drop 1, an MS 63 1920 double dot along with many more choice later dates. Other key date Pre Decimal coins includes 18 1923 Halfpennies, two very well priced 1930 Pennies, a 1922/1 Overdate Threepence and so much more.

To round out these superb offerings is a superior collection of Proclamation coinage including 3 gold Johannas and 9 Half Johannas, all in lovely condition. There are also some very rare Colonial World Banknotes, a fantastic selection of Misprinted Banknotes and some rare Mis-struck error coins, including a rare “Mule” Perth Mint 1 Ounce Kookaburra. These are all backed up by a large selection of Decimal Banknotes, including a number of bundles, World and British coins, Internment Camps notes and coins, Decimal coins, Mint Products, unreserved, estate, bulk lots and so much more!

Once again this amazing sale has something for every collector, and every budget!

497 Holey Dollar 1813 NSW. Struck on a Mexico 8 Reales 1805TH Charles IIII (Mira/Noble 1805/13). Ex Howard D. Gibbs (H.M.F Schulman Sale New York November 1960) and Arthur Chesser collections (UK), and Coinworks by private treaty. Lovely old steel purple/green/grey tone on a mint state host coin, with traces of mint lustre. Amazingly, the Obverse denticles, fleur de lis, leaves and the H (for Henshell - the maker) in the counterstamp are as struck with full detail and well centred. Detail on the Reverse New South Wales 1813 is again sharp and clear with full denticles. A superb example that has perhaps the best eye appeal of any Holey Dollar we have seen. The Finest Known and the only such example in mint state condition. A superb Colonial rarity of the highest importance. *UNC*

\$425000 - \$450000

498 Adelaide Pound 1852 Type II. Fully and sharply struck with mirror-like satin mint bloom, near flawless proof-like surfaces and no trace of wear. Struck with a fully struck up Orb with every detail on the Crown razor sharp. Full denticles, a sharp rim and fully struck up through the legend. Ex Harold Hastings-Deerings (1962) to Dr Smith via Hasting-Deerings will (1970s), and Coinworks Eminent Colonials Auction August 2012 (sold for \$370,000, the first time this coin had been publicly offered). Described to me in a recent discussion with Barrie Winsor as - By far the best Type II Adelaide Pound- and we can only but agree. The finest example of this issue known with fantastic eye appeal and one of the most significant Australian coins ever offered. *GEM UNC*

Terms And Conditions of Sale

Please read the following "Terms of Sale" carefully. These terms are applicable to all floor, postal and online bidders in this auction. Submission of bids in this Auction constitutes your full acceptance of these "Terms of Sale".

- 1.** This is a public auction sale, NOT an approval sale. At the fall of the gavel or auctioneer's call of "Sold", all sales are then final, and any bid acknowledged and relied on by the auctioneer shall not be withdrawn. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. The auctioneer has final discretion in all such matters. In case of a dispute, the lot(s) in question may be immediately resold. The auctioneer as represented here includes International Auction Galleries as an entity.
- 2.** Payments must be made in full within 14 days of the sale date. No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries) by Bank Transfer or Major Credit Cards as stipulated. Successful Online/Postal bidders will be notified and issued an auction account. All such accounts must be fully finalised within 14 days of the sale date.
- 3.** A 22% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). Payment by Visa and Mastercard is welcome with no surcharge. **We do not accept AMEX.**
- 4.** Unless otherwise specifically stated by the auctioneer, each new bid shall be raised above the previous bid by such amount as is determined by the auctioneer during the course of the auction, and no party shall be allowed to retract his or her bid after acknowledgment by the auctioneer.
- 5.** The auctioneer reserves the right(s) to refuse any bid, withdraw any goods from sale at any time, or disclose reserves or vendor information without having to state any reason.
- 6.** At the fall of the hammer, (if required by the Auctioneer), the purchaser shall give his or her full name and address, and pay 25% of the purchase price deposit. In default, the lot(s) purchased may, at the auctioneer's discretion, immediately be reoffered and resold. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment. Payment on approved dealer/trade accounts must be cleared and finalised within 28 days of sale.
- 7.** Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Empor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.
- 8.** The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.
- 9.** No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**
- 10.** If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale and storage, which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is entitled to:
 - a)** The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase.
 - b)** The full cost of advertising and all other expenses related to re-sale as deemed necessary, including any storage costs and insurance charges.
 - c)** Any differential in price from the initial sale price to the price achieved in re sale of the items(s).
- 11. A service charge of 2% compound per month (or part thereof) will be added to overdue accounts (28 days after the date of Auction is the overdue period for all unpaid accounts).** In any event the title of any lots sold will not pass to the purchaser until the full amount of the purchasers auction account has been fully paid and remitted to the vendor, including any other service charges, storage or any other fees resulting from any late payments.
- 12.** Estimates are given as a guide, and not given as starting points for bidding: Lots may sell for a price greater or less than these estimates. All prices are in Australian Dollars.
- 13.** Postage and Insurance: If a purchaser declines to pay the mandatory insurance charge applied to their account for cover during shipping/postage then they shall assume all responsibility for that item(s). Any possible loss or damage to that item(s) shall then be the purchaser's responsibility.
- 14.** All images, text and information supplied in this catalogue remain the property of International Auction Galleries, and may not be used or transmitted in any way without prior written permission. Note - Images may not be shown to scale.
