Welcome To IAGs Sale 90

Welcome to our final Signature Auction for 2019, and once again, it is another fantastic Sale! With 930 lots this auction has one of the finest all round selections (including a tonne of gold, GB, World, Rarities and Pre Federation banknotes) that we have ever offered. We are now seeing a real lack of quality material on the market, with the current supply mostly coming from older collections, which are drying up fast. Don't miss out on the fantastic buying opportunity that Sale 90 offers!

Sale 90 is our 45th auction since we expanded with an online presence 7 years ago, and with more than 30,000 lots offered since, we continue to be the Online Auction leaders. The new server upgrade and program updates we have been working on for the last 2 years are now coming online, and we have some more exciting upgrades and features coming – so stay tuned! Eight Auctions a year means we are constantly turning over new and exciting material, selling more than 6,000 lots a year, so if you haven't already, then sign up to view and bid Online for Free! There will be a HUGE Online Sale in December (with maybe a cheeky Flash Sale in October or November) and of course, our next Signature Sale – Sale 91 in March 2020. See the website under “Upcoming IAG Auctions” section for updated details, dates and times and join our more than 2,500 registered online members today!

Vendors Note: You can submit items for our auctions online via our website. List the items you wish to consign, add any details, upload pictures, retrieve invoices and even view your lots once listed all online. More frequent auctions (8 a year) means you sell faster and get paid faster! For larger consignments – let us know and post them off and we will take care of the rest! Remember: With Qld having the strongest Trust Account laws in Australia, vendors funds are 100% guaranteed safe at all times, with payment direct to your bank account 30 days after each Auction.

Some Sale 90 Auction Highlights and more...

Included in this auction are a number of old collections, and with over 45 individual vendors, there are some superb highlights on offer. Key Highlights include the finest of only three known 1914 Collins-Allen 5 Pounds (R 36a) with dark blue serial numbers. Missing from almost every serious collection, this key and very rare note was originally sold in 2009 for a record \$81,550, and is now estimated at \$25,000, which has to be a steal! Other key notes include two rare 100 Pound notes from two different banknote collections along with a presentable 50 Pound note - some rare buying indeed!

Three gold 1852 Adelaide Pounds are on offer in this sale; a rare Type I in lovely condition, held in a prominent family for over 100 years, along with two Type II examples, one in lower and very collectable grade, and one high grade PCGS graded example in MS 63. With gold running so hot, these “Kings” of the Australian gold series are sure to excite!

Several large collections of Banknotes include a superb selection of more than 50 Pre Federation Issued and Specimen notes, with examples from some rare store notes, several early colonial and promissory issues, some very rare Specimen types up to 100 Pounds, and a unique and very rare Bank of Australia issued One Pound from 1838.

Several old collections include a large quantity of World, GB and

Proclamation coinage. British highlights include gold and silver cased specimen sets from 1887, 1902 and 1911, along with early gold from hammered up, and a number of proof issues including several sets. Proclamation coinage on offer includes 2 Johannas, 6 Half Johannas, numerous 8 Reales including Pillar Dollars, Mohurs and much more. Did we mention there's a lot of gold in this sale? Almost 170 lots worth, with USA, GB, a wide range of World gold, Australian Half Sovereigns and Sovereigns including Sydney Mint and rare dates, PCGS graded gold and mint gold.

A few other highlights to note in this sale is a large quantity of Pre Decimal coins with superb grade PCGS and raw coins, along with a number of rare Pre Decimal Proof issues including a Specimen Proof 1924 Threepence, a Specimen 1954 Royal Visit Florin and a high grade Proof 1936 Sixpence in PR 67! Other highlights include a 1930 Penny, Specimen and Star notes, a 1 Pound with Million Serials, an early \$1 pair with solid 9/1 Million Serials, Mis-struck error coins including a rare 5 Cent Fiji Mule, a 50 Cent 2000 Millennium issue on a 20 Cent blank and a 20 Cent Wavy baseline in MS 64, First and Last Prefixes, paper and polymer Decimal including Test notes, Misprinted error banknotes and so very much more.

Terms And Conditions of Sale

Please read the following "Terms of Sale" carefully. These terms are applicable to all floor, postal and online bidders in this auction. Submission of bids in this Auction constitutes your full acceptance of these "Terms of Sale".

1. This is a public auction sale, NOT an approval sale. At the fall of the gavel or auctioneer's call of "Sold", all sales are then final, and any bid acknowledged and relied on by the auctioneer shall not be withdrawn. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. The auctioneer has final discretion in all such matters. In case of a dispute, the lot(s) in question may be immediately resold. The auctioneer as represented here includes International Auction Galleries as an entity.

2. Payments must be made in full within 14 days of the sale date. No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries) by Bank Transfer or Major Credit Cards as stipulated. Successful Online/Postal bidders will be notified and issued an auction account. All such accounts must be fully finalised within 14 days of the sale date.

3. A 22% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). Payment by Visa and Mastercard is welcome with no surcharge. **We do not accept AMEX.**

4. Unless otherwise specifically stated by the auctioneer, each new bid shall be raised above the previous bid by such amount as is determined by the auctioneer during the course of the auction, and no party shall be allowed to retract his or her bid after acknowledgment by the auctioneer.

5. The auctioneer reserves the right(s) to refuse any bid, withdraw any goods from sale at any time, or disclose reserves or vendor information without having to state any reason.

6. At the fall of the hammer, (if required by the Auctioneer), the purchaser shall give his or her full name and address, and pay 25% of the purchase price deposit. In default, the lot(s) purchased may, at the auctioneer's discretion, immediately be reoffered and resold. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment. Payment on approved dealer/trade accounts must be cleared and finalised within 28 days of sale.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.

8. The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.

9. No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of

authenticity (as is stated in clause 7 and 8 above detailing liability). It is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**

10. If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale and storage, which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is entitled to: **a)** The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase. **b)** The full cost of advertising and all other expenses related to re-sale as deemed necessary, including any storage costs and insurance charges.

c) Any differential in price from the initial sale price to the price achieved in re sale of the items(s).

11. A service charge of 2% compound per month (or part thereof) will be added to overdue accounts (28 days after the date of Auction is the overdue period for all unpaid accounts). In any event the title of any lots sold will not pass to the purchaser until the full amount of the purchasers auction account has been fully paid and remitted to the vendor, including any other service charges, storage or any other fees resulting from any late payments.

12. Estimates are given as a guide, and not given as starting points for bidding: Lots may sell for a price greater or less than these estimates. All prices are in Australian Dollars.

13. Postage and Insurance: If a purchaser declines to pay the mandatory insurance charge applied to their account for cover during shipping/postage then they shall assume all responsibility for that item(s). Any possible loss or damage to that item(s) shall then be the purchaser's responsibility.

14. By accepting these Terms and Conditions and making any bid, the bidder guarantees that they have the funds or ability to pay for any and all items bid on (including any buyer's premiums, insurance and postage as required) within the stipulated timeframe as set out above and as part of the Auction Terms and Conditions.

15. All images, text and information supplied in this catalogue remain the property of International Auction Galleries, and may not be used or transmitted in any way without prior written permission. Note - Images may not be shown to scale.
