# Welcome To IAGs Sale 92

*Welcome to our second Signature Sale for the year! Once again we present a high quality selection of rare, interesting and collectable material from over 50 vendors (with several estates), in what is our largest ever sale, with 1,300 quality lots. As such, Sale 92 will be held live Online over 2 days – a first for our Signature Sales!*

*We have been busy over the COVID downtime updating a number of things, including freshening up our websites and overall look. Customer experience and satisfaction is at the forefront of what we do, so here at IAG we never sit back and relax, but are always striving to improve and update everything we do. We have also worked on a number of back-end improvements to better our systems and efficiency, and will continue to do so over the coming months.*

*Against all expectations, the numismatic market has been quite buoyant, with supply being the biggest issue (largely due to Covid restrictions). We have worked with many of our vendors to organize secure transport and insurance for major collections, which has ensured the quality selection we now have on offer here. For the first time in many years, we are seeing demand in the market outstrip supply. The time to buy is NOW. With the many fantastic offerings in this sale, don't be caught napping and regret it later!*

## Some Sale 92 Auction Highlights and more...

For anyone who has wished they were around in the 'good old days' of banknote collecting, when the more elusive note issues seemed more available, they won't want to miss the large and important banknote collection formed over the last 40 years that's on offer in this sale. It includes such notable issues of; a 10/- 1913 Presentation Note (R 1a) ex Nicholson collection, a rare 1 Pound 1913 red serial (R 18a), a 1914 Rainbow Pound (R 20bF), a 10 Pound 1913 Collins-Allen (R 51), a 20 Pound 1914 (R 64) and a lovely 50 Pound 1920 (R 67c). Along with these are many high grade George V issues including some pairs like a 10 Shilling 1933 (R 9) pair and a 1 Pound 1923 Miller-Collins (R 23b) pair in Unc. Key Starnotes are also well represented, lead by a 10 Shillings Armitage-McFarlane (R 13s) in aUNC and a 5 Pound 1960 (R50s) in UNC.

Other banknote highlights include Specimen issues in both Pre Decimal and Decimal, with a huge selection of 19 notes, which include rare early Pre Decimal issues like a Ten Shillings 1934 Type 4 (R 10) and a Five Pound 1939 Type 4 (R 45). More than 40 Pre Federation notes make for a fantastic offering in this area, which includes Issued, Specimen and Store notes along with various Printers Proof specimens. A nice collection of more than 20 Misprinted notes is also on offer, scarcely seen in the last few years. Add numerous Decimal Star notes, a wide variety of First and Last Prefixes, Decimal notes and Polymer banknotes and it's easy to see why this auction can't be missed.

On the coin side, the stand-out lot is a British gold coin of worldwide fame and significance - a gold Five Guineas 1699 William III of the elephant and castle type. This coin is extremely rare, with approximately

only 30 seen of this type and is only available on the world market every few years. There is also a wide selection of gold and bullion issues including an Adelaide Pound Type II in UNC, World coins headlined by a rare Dump from British Guiana as well as 30 lots of choice Proclamation featuring a gEF/aUNC Johanna.

Some other coin highlights that catch the eye are a number of rare Proof issues including a 1911 Sixpence in FDC (ex Spink Sale 6 1981), a lovely red/purple Proof 1928 Penny, a Proof red 1935 Half-penny and Penny pair FDC, a 1934 Proof silver set and a 1951 PL Proof set PCGS graded. Further to this is a superb 1813 NSW Dump in gVF/aEF, a Kookaburra Penny Type 12 and an 1823 MacIntosh and Degraives Silver Shilling from Tasmania - a classic Australian rarity.

You will also find a nice selection of Ancient coins featuring a rare Alexander the Great gold Distater, Internment Camp issues including the rare Penny and Threepence chits and an un-holed 5 Shillings. Dig a little deeper and you'll discover a swathe of graded World Banknotes, Mis-struck error coins, more Pre-Decimal coinage including high grade issues and PCGS, a great selection of jewellery capped off with two large loose diamonds of 2.70cts and 3.27cts each, several estates, large collections, mint products, bulk lots and so much more.

We hope that everyone stays safe and well in these difficult and crazy times, and we look forward to better days for us all, with the opportunities to again meet and share our numismatic passion in person.

# Terms And Conditions of Sale

Please read the following "Terms of Sale" carefully. These terms are applicable to all floor, postal and online bidders in this auction. Submission of any bids in this Auction constitutes your full acceptance of these "Terms of Sale".

1. All Bids expressed either via Online or live in the saleroom shall remain valid until the fall of the gavel or auctioneer's call of "Sold". All sales are then final. Any bid(s) from any source as acknowledged and relied on by the auctioneer shall not be withdrawn. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. The auctioneer has final discretion in all such matters. In case of a dispute, the lot(s) in question may be immediately resold. The auctioneer as represented here includes International Auction Galleries as an entity.

2. Auction payments must be made in full within 14 days of the sale date. No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries) by Bank Transfer or Major Credit Cards as stipulated. Successful Online/Postal bidders will be notified and issued an auction account. All such accounts must be fully finalised within 14 days of the sale date.

3. A 22% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). Payment by Visa and Mastercard is welcome with no surcharge. **We do not accept AMEX.**

4. Unless otherwise specifically stated by the auctioneer, each new bid shall be raised above the previous bid by such amount as is determined by the auctioneer during the course of the auction, and no party shall be allowed to retract his or her bid after acknowledgment by the auctioneer.

5. The auctioneer reserves the right(s) to refuse any bid, withdraw any goods from sale at any time, or disclose reserves or vendor information without having to state any reason.

6. At the fall of the hammer, (if required by the Auctioneer), the purchaser shall give his or her full name and address, and pay 25% of the purchase price deposit. In default, the lot(s) purchased may, at the auctioneer's discretion, immediately be reoffered and resold. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment. Payment on approved dealer/trade accounts must be cleared and finalised within 28 days of sale.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.

8. The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.

9. No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It

is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**

10. If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale, storage, debt recovery, legal fees and/or court costs which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is also entitled to the expenses as set out below:

a) The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase.

b) The full cost of advertising and all other expenses related to re-sale as deemed necessary, including recovery and legal fees, court costs, interest, storage costs and insurance charges.

c) Any differential in price from the initial sale price to the price achieved in re sale of the items(s).

**11. A service charge of 2% compound per month (or part thereof) will be added to overdue accounts (28 days after the date of Auction is the overdue period for all unpaid accounts).** In any event the title of any lots sold will not pass to the purchaser until the full amount of the purchasers auction account has been fully paid and remitted to the vendor, including any other service charges, storage or any other fees resulting from any late payments.

12. Estimates are given as a guide, and not given as starting points for bidding: Lots may sell for a price greater or less than these estimates. All prices are in Australian Dollars.

13. Postage and Insurance: If a purchaser declines to pay the mandatory insurance charge applied to their account for cover during shipping/postage then they shall assume all responsibility for that item(s). Any possible loss or damage to that item(s) shall then be the purchaser's responsibility.

14. By accepting these Terms and Conditions and making any bid, the bidder guarantees that they have the funds or ability to pay for any and all items bid on (including any buyer's premiums, insurance and postage as required) within the stipulated timeframe as set out above and as part of the Auction Terms and Conditions.

15. All images, text and information supplied in this catalogue remain the property of International Auction Galleries, and may not be used or transmitted in any way without prior written permission. Note - Images may not be shown to scale.
