## Postal Terms and Conditions

1. All new postal or email bidders must supply to us their full name, address and phone number details (residential address only accepted) and also provide a copy upon demand of a current drivers license or passport, or all bids will be considered to be null and void. Other dealer references may also be requested if we determine it necessary. All new Email bidders must then post or fax an original signed bid form before the auction to be acknowledged as valid bidders.
2. All credit card payments are to be from one card only, no multiple cards will be accepted per customer purchase. All Auction items purchased will be sent only by Australia Post, either by regular mail, registered mail or person to person. Parcels are sent with acknowledgement of delivery. Postage is charged at an average weight charge of \$5 per 500 grams registered. Please contact us if you have specific requirements for insurance on postage. If insurance is then required, an additional charge of \$1 per \$100 insured will then be added along with postage.
3. We reserve the right to hold any postal bid item purchased for up to 30 days after final payment has been received by us in full at any time, and for any reason.
4. We reserve the right to refuse any postal bids for any reason as determined by us. Postal bids under 70% of the lowest estimate are also respectfully declined. Due to the usually accurate nature of our estimating, we would suggest bids start close to estimate to avoid disappointment. All postal bids are subject to the terms and conditions of the sale as set out in the catalogue.
5. If specific bids are requested as in "one or the other lot", or "if I don't get this lot..." we will attempt to accommodate this where possible, but cannot guarantee they will be successful.
6. All postal bidders details and bids are kept completely confidential at all times, as are all credit card details, and all care is taken to maintain complete customer security at all times.
7. Please ensure all postal bids are received no later than 4pm Friday for processing. In the event of two conflicting exact bids, priority will go to the first bid received. A postal bidder may be unsuccessful if the maximum high bid coincides with the current high room bid, or if the bidding increments exceed the high postal bid.

Please contact us if you have any further queries.

**MAKE SURE TO SIGN THE POSTAL FORM FOR ACKNOWLEDGEMENT OF ACCEPTANCE OF THESE TERMS AND TO REGISTER YOUR BID WITH US.**
