Welcome to IAGs Sale 81

Welcome to our first Live Online Auction! After much tweaking, fixing, adjusting and changes we think we have finally got everything in place to run our first complete, Live Online only Sale. Our live Auction system has been developed by us from the ground up, and has become far more complex and comprehensive in scope than we could have ever imagined. When we first started running Online Auctions 3 years ago, we never really envisaged the Online Market moving at the direction and speed it has, to the point now where it is starting to dominate the auction scene.

As a trial, we present this sale, which will include our usual postal, fax, phone and online bidding, but with the Sale moving to full live Online bidding once everything else closes. We are still testing the system, and do expect some more minor bugs to show up while we are perfecting it, so bear with us, as we know the end result will be worth it! This Sale doesn't mean the end of us holding live Auctions in person (Sale 82 in September will be a Live Auction for example), but it does mean we will be able to hold more frequent, specialized sales in future online!

Please note: With the continued growth of our mailing list and Online bidders now reaching over 1500 clients, we will be strictly enforcing a Subscription Only policy for anyone wishing to still receive printed catalogues. With the cost of printing and postage continuing to rise substantially, along with all our many new clients, we have set the fee at \$50 for 2015/16 subscriptions, well under what the actual costs of producing and posting catalogues is. We will continue to expand our Online presence, and for those who wish, FREE fully illustrated PDF's will continue, as will our Catalogues be posted in Issue for those wanting to read them online. Remember, our sales are also still the only ones where every single Auction lot can be viewed in full screen high resolution online for those who can't actually view lots in person.

Some Sale 81 Auction Highlights and more...

This Sale represents our largest ever single offering, with just over 1000 Lots of interesting, rare and high grade Coins and Banknotes. Most lots have been reserved at somewhere around half of the estimates, with some lots being offered completely unreserved, with bidding to start from only \$1. Once again a number of the highlights include investment and ex superfund liquidated assets, including a number of Proof Coins, UNC Banknotes and other Rarities offered at a fraction of the purchase cost, with some from as little as 5-10% of the original cost prices!

Coin Highlights include a Superb Proof Pair of Bombay Copper 1942I Penny and Halfpenny in superior proof grade. Further coin highlights include Two kookaburra Pennies, a Type 11 and 12 as well as an interesting Round Copper Kookaburra "trial" QE II Penny, along with a rare Silver Taylor Pattern Shilling and a rare Silver MacIntoch and Degraives Shilling 1823.

Banknote highlights include many George V notes in UNC, including a rare 1 Pound 1918, a 10 Shillings 1913 red serials, 10 pound 1932 gVF and a rare German New Guinea 5 Marks

1914. Other highlights include Starnotes, Decimal Specimens, and a 10 Shillings 1 Million note. Also there is a good selection of Pre Federation highlighted by Issued, Specimen and two Superscribed issues and much more.

Other Coin highlights include a Rare high grade Sydney Mint Overdate 1861/0 Sovereign and a superb 1862 Sydney Mint Sovereign, a large collection of Gold including many type coins, and a large selection of Pre Decimal Copper and Silver, with many scarce dates and high grades. Pre Decimal Proof coins, World Coins a collection of British Crowns including a Proof 1831 Crown and so much more comprise this large selection. There is also a fantastic selection of Pre Decimal and Decimal Mis-struck Coins, including one of the kings of the series in the 20 Cent "Scalloped Edge" struck on a Hong Kong \$2 blank. Once again this superb sale has something for every collector, and every budget!

This can also be viewed in the "Sale 81 Lots" section. Only bids that meet reserves will be shown. The "View All Lots with Bids" function will create a PDF where all current successful postal bids on every lot can be viewed prior to the commencement of the Live Sale.

Note: All bids received before the sale commences will be visible only at the current bid level (maximum bids will not be shown). This figure will be used to compete with other live online bids when the sale starts (if bids are received, else bidding will start at reserve). Bidding prior to the sale is recommended to ensure that you don't miss out, even if you intend to bid live online! Your submitted online bids will not compete with your live bids if you also bid live.

Terms And Conditions of Sale

Please read the following "Terms of Sale" carefully. These terms are applicable to all floor bidders and mail bidders in this auction. Your submission of bids in this Auction constitutes your acceptance of these "Terms of Sale".

1. This is a public auction sale, NOT an approval sale. At the fall of the gavel or auctioneer's call of "Sold", all sales are then final, and any bid acknowledged and relied on by the auctioneer shall not be withdrawn. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. The auctioneer has final discretion in all such matters. In case of a dispute, the lot(s) in question may be immediately resold. The auctioneer as represented here includes International Auction Galleries as an entity.

2. Payments must be made in full and all floor bidder purchases must be removed the day of the sale, or by 5p.m. the next day. Absolutely No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries), or by Bank Transfer or Major Credit Cards as stipulated. Successful postal bidders will be notified by mail via an auction receipt. All postal bidder accounts must be fully finalised within 14 days of the sale date.

3. A 19.25% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). **All payments by American Express will incur a 3% surcharge.**

4. Unless otherwise specifically stated by the auctioneer, each new bid shall be raised above the previous bid by such amount as is determined by the auctioneer during the course of the auction, and no party shall be allowed to retract his or her bid after acknowledgment by the auctioneer.

5. The auctioneer reserves the right to refuse any bid and to withdraw any goods from sale at any time, or to disclose any reserves or vendor information, without having to state any reason.

6. At the fall of the hammer, (if required by the Auctioneer), the purchaser shall give his or her full name and address, and pay 25% of the purchase price deposit. In default, the lot(s) purchased may, at the auctioneer's discretion, immediately be reoffered and resold. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment. A cheque and signed guarantee of payment form will be necessary on all 30 day trade accounts.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.

8. The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.

9. No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**

10. If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale and storage, which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is entitled to:

a) The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase.

b) The full cost of advertising and all other expenses related to re-sale as deemed necessary, including any storage costs and insurance charges.

c) Any differential in price from the initial sale price to the price achieved in re sale of the items(s).

11. A service charge of 2% compound per month (or part thereof) will be added to overdue accounts (30 days after the date of Auction is the overdue period for all unpaid accounts). In any event the title of any lots sold will not pass to the purchaser until the full amount of the purchasers auction account has been fully paid and remitted to the vendor, including any other service charges, storage or any other fees resulting from any late payments.

12. Estimates are given only as a guide, and not given as starting points for bidding: Lots may sell for a price greater than or less than these estimates. Bidding will start at an increment above the lowest postal bid received, or at the Auctioneers sole discretion. All prices are in Australian Dollars.

13. All images, text and information supplied in this catalogue remain the property of International Auction Galleries, and may not be used or transmitted in any way without written permission.
