Welcome To IAGs Online Sale 16

Welcome to our SIXTEENTH Major ONLINE AUCTION!

2020 has been a challenging year for us all, and as we approach 2021, hopefully we are over the worst of it, and things begin to get back to more normal. It has been interesting to see that prices and demand for quality Numismatics have continued on an upward path and remained strong right throughout this last year. Once again we see that quality Numismatics and gold prices have remained strong in difficult times as people look for a better store of value, especially with current low interest rates. We hope that you stay safe and well through these tough times, and that you and your family have a Merry Christmas, and onto a better 2021!

OS 16 is our largest ever sale (in terms of number of lots) with 1,600 lots to be held over 2 days! The large amount of material we have continued to receive has been still flowing in, and we are already well under way for our next major auction – Signature Sale 93 in March! We would like to thank the more than 60 vendors who have again put their trust in us, we are confident that this sale will be as successful as our previous record breaking ones!

OS 16 will be Online for just over 3 weeks, giving people on Holidays and those who will be away plenty of time to look over the substantial offerings. Final invoices for OS 16 will be issued on Friday the 15th January, and lots will be posted from Monday the 18th. Please wait until we have emailed your Final invoice with the correct amount of postage and insurance added to it before paying anything. Collection can be from our offices in person, please advise us ASAP so we can make a time for you to collect.

OS 16 comprises an excellent assortment of interesting, collectable and rare items from a wide cross selection including several Estates, a large number of unreserved lots, some key rarities and a nice general cross section of material along with a large quantity of gold. 98% of OS 16 is new, fresh material, so we hope you will enjoy the varied offerings, with lots of cheaper and interesting lots for the true collector in all of us to appreciate!

Some Online Sale 16 Auction Highlights and more...

Some Highlights include a high grade 50 Pound 1920. We have been fortunate to offer a second example of this rare issue in our last two sales, a rarity indeed as this note doesn't come up very often, especially in such nice grade! Two rare Specimen notes of George V and George VI present a unique buying opportunity, and are keenly priced for such key rarities. The British gold Five Guineas 1699 William III Elephant and Castle is a coin of worldwide significance, with several examples of this very rare issue selling in recent times for record prices. There is also a lovely 1928 proof Penny, one of only a few examples known and again well priced to sell.

OS also comprises a good selection of Banknotes right across the range including selection of in demand Pre Federation issues, along with more Gold than we have offered in a long time (approx 70 Ounces) including a Perth Mint sovereign set, and a small but quality selection of jewelry. A couple of key errors highlighted by the 20 Cent struck on a Hong Kong blank, and what could be a unique 20 Cent struck on a \$1 blank! OS 16 also has the usual large selection of World, GB, Pre

Decimal, Specimens and Starnotes, First and Last prefixes, Decimal, RAM and Perth mint issues, Medals, World banknotes, bulk and unreserved and so much more!

Our next major signature Live Floor Sale 93 will be in March 2021 and we have some exciting news for what will be a landmark sale, so keep an eye out for more updates soon! This Sale will be one of our most important Signature Sales ever, and space is already becoming tight but we will be seeking quality consignments to add to what is already in the works, Contact us NOW or see the website for details of this and our other upcoming auctions.

You can consign to our auctions completely all online! NO COMMISSIONS or other fees for all Sellers means you will get more in hand when you sell with us!

A Helpful Note on Estimates and Reserves:

ALL Estimates in the LIVE Sales are meant to provide an accurate guide of what we EXPECT items to sell for. Reserves will generally be 10-20% below the lower estimate. Bids less than 70% of the low estimate will not be accepted (excepting on low priced/unreserved lots).

For those more familiar with our Online Postal Sales, you can think of the Estimates more as the starting bid price of what we expect to achieve.

Explanation of Current Bids on the Website:

Items in **Red** are one increment bid below Reserve price.

Items in **Green** have currently met, or passed the Reserve price.

All Bidders: Will be advised of successful bids only via email (for all online bidders) or a posted invoice. Invoices will ONLY be sent out once BOTH Auctions have been completed.

All postal (fax/phone/post/via web submission) bidders please note: All non Online bids must be received by 4pm AEDST WEDNESDAY 13th January. This includes bids submitted directly via the Online Website bidding form submission page, fax, phone and post.

Web (online) bidding: Online registered members can place bids up until 6:00pm AEDST on each Auction day Wednesday 13th and Thursday 14th January via the website (www.iagauctions.com). 30 minutes before the start of either auction all other bidding on that days auction SESSION will be suspended. The Live Auction for that days Session will then start at 6:30pm AEDST with the first lot of that days session via the Live Auction function.

Online Member Bidding: Online members can best bid via building a bidding "Watchlist". This is used to control, view and submit bids through the website. This shows you your current successful/unsuccessful bids and prices (in relation to other postal bids) until all bidding closes for that days session 30 minutes prior to the days Live Auction session commencing. You can also bid directly from any lot (whilst logged in - it will then be added to your watchlist).

Your watchlist will note items you are interested in are watching with an icon during live auction bidding, as well as chiming 5 lots before that item comes up (should you have sound enabled).

If you have submitted bids prior to the live auction start, but do not want to participate, you do not have to do anything further. Make sure that you have submitted your absolute maximum bids, as whilst you may be winning at the close of Online bidding at 6:00pm for that days session, the LIVE Auction bidders MAY still outbid your bids. The system automatically bids for you against other Live Online bidding up to your maximum amount in bid increments as displayed.

Notes

Terms And Conditions of Sale

Please read the following "Terms of Sale" carefully. These terms are applicable to all floor, postal and online bidders in this auction. Submission of any bids in this Auction constitutes your full acceptance of these "Terms of Sale".

1. All Bids expressed either via Online or live in the saleroom shall remain valid until the fall of the gavel or auctioneer's call of "Sold". All sales are then final. Any bid(s) from any source as acknowledged and relied on by the auctioneer shall not be withdrawn. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. The auctioneer has final discretion in all such matters. In case of a dispute, the lot(s) in question may be immediately resold. The auctioneer as represented here includes International Auction Galleries as an entity.

2. Auction payments must be made in full within 14 days of the sale date. No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries) by Bank Transfer or Major Credit Cards as stipulated. Successful Online/Postal bidders will be notified and issued an auction account. All such accounts must be fully finalised within 14 days of the sale date.

3. A 22% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). Payment by Visa and Mastercard is welcome with no surcharge. **We do not accept AMEX.**

4. Unless otherwise specifically stated by the auctioneer, each new bid shall be raised above the previous bid by such amount as is determined by the auctioneer during the course of the auction, and no party shall be allowed to retract his or her bid after acknowledgment by the auctioneer.

5. The auctioneer reserves the right(s) to refuse any bid, withdraw any goods from sale at any time, or disclose reserves or vendor information without having to state any reason.

6. At the fall of the hammer, (if required by the Auctioneer), the purchaser shall give his or her full name and address, and pay 25% of the purchase price deposit. In default, the lot(s) purchased may, at the auctioneer's discretion, immediately be reoffered and resold. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment. Payment on approved dealer/trade accounts must be cleared and finalised within 28 days of sale.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.

8. The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.

9. No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It

is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**

10. If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale, storage, debt recovery, legal fees and/or court costs which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is also entitled to the expenses as set out below:

a) The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase.

b) The full cost of advertising and all other expenses related to re-sale as deemed necessary, including recovery and legal fees, court costs, interest, storage costs and insurance charges.

c) Any differential in price from the initial sale price to the price achieved in re sale of the items(s).

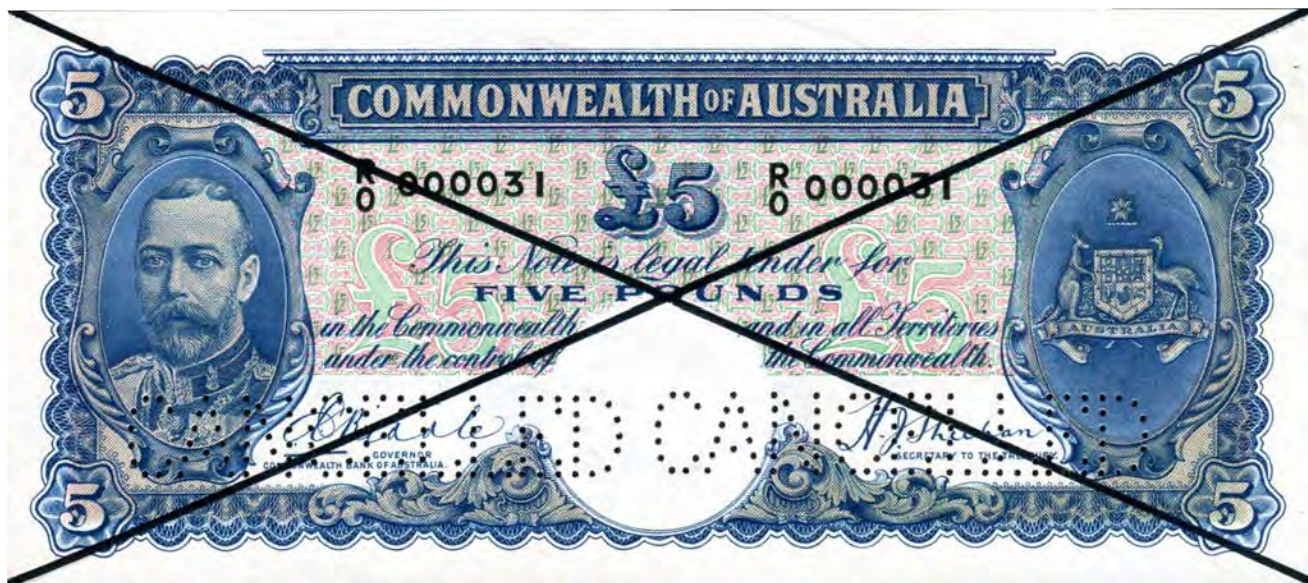

11. A service charge of 2% compound per month (or part thereof) will be added to overdue accounts (28 days after the date of Auction is the overdue period for all unpaid accounts). In any event the title of any lots sold will not pass to the purchaser until the full amount of the purchasers auction account has been fully paid and remitted to the vendor, including any other service charges, storage or any other fees resulting from any late payments.

12. Estimates are given as a guide, and not given as starting points for bidding: Lots may sell for a price greater or less than these estimates. All prices are in Australian Dollars.

13. Postage and Insurance: If a purchaser declines to pay the mandatory insurance charge applied to their account for cover during shipping/postage then they shall assume all responsibility for that item(s). Any possible loss or damage to that item(s) shall then be the purchaser's responsibility.

14. By accepting these Terms and Conditions and making any bid, the bidder guarantees that they have the funds or ability to pay for any and all items bid on (including any buyer's premiums, insurance and postage as required) within the stipulated timeframe as set out above and as part of the Auction Terms and Conditions.

15. All images, text and information supplied in this catalogue remain the property of International Auction Galleries, and may not be used or transmitted in any way without prior written permission. Note - Images may not be shown to scale.
