Welcome To IAGs Online Sale 17

Welcome to our SEVENTEENTH major ONLINE AUCTION!

2021 has already started off with a bang, with our recent Record Breaking Signature Sale 93! Demand and prices for quality Numismatics have continued on an upward path and with gold returning to previously high levels, we should see even more activity in that area. This difficult covid period has really brought collectables of all types more and more into the mainstream spotlight as people with more time on their hands for more "indoor" pursuits have embraced this aspect of our current reality. We have seen many areas of numismatics explode in terms of popularity, and this should begin filter through from the bottom right to the top of our industry. Gold now looks like it is on the move, and as more money is printed to stimulate economies, this relative safe haven is sure to again attract more interest.

OS 17 is again our largest ever sale (in terms of number of lots) with 1,600 lots to be held over 2 days! The large amount of material we have continued to receive has been still flowing in, and we are already well under way for our next major auction – Signature Sale 94 in September! We would again like to thank the more than 60 vendors who have put their trust in us for Os 17 in helping to make this another outstanding Online sale!

OS 17 will be Online for 2 weeks, and there will be limited viewing for those who are local or able to travel. Please contact us to arrange viewing so we can continue to ensure a safe and comfortable standard for all those who wish to view. Once again we have provided an outstanding level of photography with ever lot in hi-res and even the PDF and Issue catalogues with ALL 1,600 lots shown! If you do require further information on any lot, please don't hesitate to contact us, and we will do our best to help you out in any way we can.

Collection of lots can be from Tuesday the 22nd in our offices (please call to arrange a suitable time) and postage of lots will begin on that same Tuesday as well, with our usual efficient systems. Please wait until we have emailed your Final invoice with the correct amount of postage and insurance added to it before paying anything.

OS 17 again comprises an excellent assortment of interesting, collectable and rare items from a wide cross selection including many hundreds of lots from the Estate of Klaus Ford along with a number of key rarities and high quality items and a nice general cross section of material along with a large quantity of gold. The majority of OS 17 is new, fresh material, so we hope you will enjoy the varied offerings, with lots of cheaper and interesting lots for the true collector in all of us to appreciate!

Some Highlights Include several 1930 Pennies and two 1921/22 Overdate Threepences, an impressive selection of high grade Pre Decimal including a Specimen 1934/5 Melbourne Centenary Florin, Proof coins including a 1938 Shilling, 1934 Threepence and 1955Y and 1956Y Pennies, along with a large selection of Australian Gold coins, highlighted by an aUNC 1872/1 Overdate Sovereign. A Helpful Note on Estimates and Reserves:

ALL Estimates in the LIVE Sales are meant to provide an accurate guide of what we EXPECT items to sell for. Reserves will generally be 10-20% below the lower estimate. Bids less than 70% of the low estimate will not be accepted (excepting on low priced/unreserved lots).

For those more familiar with our Online Postal Sales, you can think of the Estimates more as the starting bid price of what we expect to achieve.

Explanation of Current Bids on the Website:

Items in **Red** are one increment bid below Reserve price.

Items in **Green** have currently met, or passed the Reserve price.

All Bidders: Will be advised of successful bids only via email (for all online bidders) or a posted invoice. Invoices will ONLY be sent out once BOTH Auctions have been completed.

All postal (fax/phone/post/via web submission) bidders please note: All non Online bids must be received by 4pm AEST FRIDAY 18th June 2021. This includes bids submitted directly via the Online Website bidding form submission page, fax, phone and post.

Web (online) bidding: Online registered members can place bids up until 12.30pm AEST on each Auction day Saturday 19th and Sunday 20th June via the website (www.iagauctions.com).

30 minutes before the start of either auction all other bidding on that days auction SESSION will be suspended. The Live Auction for that days Session will then start at 1pm AEST with the first lot of that days session via the Live Auction function.

Online Member Bidding: Online members can best bid via building a bidding "Watchlist". This is used to control, view and submit bids through the website. This shows you your current successful/unsuccessful bids and prices (in relation to other postal bids) until all bidding closes for that days session 30 minutes prior to the days Live Auction session commencing. You can also bid directly from any lot (whilst logged in - it will then be added to your watchlist).

Your watchlist will note items you are interested in are watching with an icon during live auction bidding, as well as chiming 5 lots before that item comes up (should you have sound enabled).

If you have submitted bids prior to the live auction (but do not want to participate), you do not have to do anything further. Ensure that you submit your maximum bid, as whilst you may be winning at the close of Online bidding (12.30pm for that days session), the LIVE Auction bidders MAY still outbid your bids. The system automatically bids for you against other Live Online bidding up to your maximum amount in bid increments as displayed.

Click the link that pops up in your WATCHLIST (5 minutes before the Auction start) - Or click the Live Auction button at the top of the home page. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. As the system is automated, there shall be no possible recourse in the case of any dispute, and all bids are final. The auctioneer as represented by the Online bidding system includes International Auction Galleries (IAG) as an entity.

2. Auction payments must be made in full at the conclusion of the sale. Absolutely No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries), or by Bank Transfer or Major Credit Cards as stipulated. Successful bidders will be notified by either email or mail via an auction receipt. All bidders accounts must be fully finalised within 14 days of the sale date.

3. **A 22% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). Payment by Visa and Mastercard is welcome with no surcharge. We do not accept AMEX.**

4. Unless otherwise specifically stated, each new bid shall be raised above the previous bid by such amount as is determined by the automated bidding system as set out by IAG. No party shall be allowed to retract his or her bid after acknowledgment by the Auction system.

5. International Auction Galleries reserves the right to refuse any bid and to withdraw any goods from sale at any time, or to disclose any reserves or vendor information, without having to state any reason.

6. All Online bidders must to complete a valid registration, with any identification as required by IAG. All Online bidders must accept the Terms and Conditions of Sale as set out here to be considered a valid bidder. Payment on approved dealer/trade accounts must be cleared and finalised within 28 days of the sale.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.

Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction.
