# *Welcome To IAGs Online Sale 18*

## **Welcome to our FIRST ONLINE AUCTION for 2022!**

2021 started and ended with a bang, with both of our Signature Sales being record breaking auctions! Demand and prices for quality numismatics have remained strong and even increased, perhaps buoyed by continuing supply issues due to lockdowns and difficulties in travelling. Collectables in general as a genre seem to have boomed through this impacted period, and I know on the numismatic front we now have thousands of “new” collectors. Gold and bullion also looks like it may remain strong through the possible inflationary period we surely have coming; it’s worth remembering that during the Great Depression rare coins in the US performed exceedingly well, as people tend to look to hold real assets in financially uncertain times.

OS 18 presents a large and diverse sale with tonnes of quality, interesting, fresh and rare items on offer, with 1,400 lots to be offered over two days, including Part III of the Estate of Klaus Ford! We would like to thank the more than 60 vendors who have put their trust in us for OS 18 and thus helped to make this another outstanding online sale! We anticipate this auction to be online for 20 days to give plenty of time for viewing and bidding online before the sale goes live the weekend of the 22nd-23rd of January.

Hopefully most interstate dealers can attend for viewing, as those that look closely will surely find some hidden gems! Please contact us to arrange viewing so we can continue to ensure a safe and comfortable standard for all those who wish to view (please don’t just turn up at the door without an appointment to avoid disappointment if we can’t fit you in).

Once again we have provided an outstanding level of photography with every lot on the website photographed in hires, with the PDF and Issuu Online catalogues also having ALL 1,400 lot images in the catalogue! If you require further information on any lot, please don’t hesitate to contact us, and we will do our best to help you out in any way we can.

Collection of lots will be from Tuesday the 25th Jan in our offices (please call to arrange a suitable time) along with postage of paid lots, with our usual efficient systems getting things moving as fast as possible. Please wait until we have emailed your Final Invoice with the correct amount of postage and insurance added to it before paying anything.

Material has continued to flow in and we are well underway for our next upcoming major auction – Signature Sale 95 in March 2022! From what we have already catalogued, I can safely say that we have another amazing sale in the works! If you want to take advantage of the strong market conditions of our auctions, then please contact us ASAP. Interstate shipping (with full insurance should you wish) can be arranged for you to ensure smooth and efficient service from start to finish.

Contact us NOW or see the website for details of this and our other upcoming auctions. You can consign to our auctions completely online! NO COMMISSIONS or other fees for all sellers means you will get more in hand when you sell with us!

## **Happy Collecting to all!**

**A Helpful Note on Estimates and Reserves:**

ALL Estimates in the LIVE Sales are meant to provide an accurate guide of what we **EXPECT** items to sell for. Reserves will generally be 10-20% below the lower estimate. Bids less than 70% of the low estimate will not be accepted (excepting on low priced/ unreserved lots).

**For those more familiar with our Online Postal Sales, you can think of the Estimates more as the starting bid price of what we expect to achieve.**

**Explanation of Current Bids on the Website:**

Items in **Red** are one increment bid below Reserve price.

Items in **Green** have currently met, or passed the Reserve price.

**All Bidders:** Will be advised of successful bids only via email (for all online bidders) or a posted invoice. Invoices will ONLY be sent out once BOTH Auctions have been completed.

**All postal (fax/phone/post/via web submission) bidders please note:** All non Online bids must be received by 4pm AEDST FRIDAY 21st January 2022. This includes bids submitted directly via the Online Website bidding form submission page, fax, phone and post.

**Web (online) bidding:** Online registered members can place bids up until 12.30pm AEDST on each Auction day Saturday 22nd and Sunday 23rd via the website ([www.iagauctions.com](http://www.iagauctions.com)).

30 minutes before the start of either auction all other bidding on that days auction SESSION will be suspended. The Live Auction for that days Session will then start at 1pm AEDST with the first lot of that days session via the Live Auction function.

**Online Member Bidding:** Online members can best bid via building a bidding "Watchlist". This is used to control, view and submit bids through the website. This shows you your current successful/unsuccessful bids and prices (in relation to other postal bids) until all bidding closes for that days session 30 minutes prior to the days Live Auction session commencing. You can also bid directly from any lot (whilst logged in - it will then be added to your watchlist).

Your watchlist will note items you are interested in are watching with an icon during live auction bidding, as well as chiming 5 lots before that item comes up (should you have sound enabled).

If you have submitted bids prior to the live auction (but do not want to participate), you do not have to do anything further. Ensure that you submit your maximum bid, as whilst you may be winning at the close of Online bidding (12.30pm for that days session), the LIVE Auction bidders MAY still outbid your bids. The system automatically bids for you against other Live Online bidding up to your maximum amount in bid increments as displayed.

**Live Auction – How to bid:** You must be a registered bidder to bid. Click the link that pops up in your WATCHLIST (5 minutes before the Auction start) - Or click the Live Auction button at the top of the home page. You must accept the auction Terms and Conditions, and will then be directed to the Live Bidding page. If you get disconnected, please refresh your bidding page.

**Credit Cards & Payment:** All amounts are in Australian Dollars. Lots are processed upon clearance of funds. Overseas bidders cannot pay invoices over \$500 via credit card (you MUST direct deposit payment). We reserve the right to hold clients paying by credit card items for up to 30 days.
