Welcome To IAGs Online Sale 19

Welcome to our second Online Auction for 2022!

2022 started with a bang, with Signature Sale 95 being another record breaking auction! We look forward to a more regular schedule as demand and prices for quality numismatics have continued to remain strong with supply and transport issues finally easing. On that note, as we are well behind with cataloging, we will not be running a December/January Online Sale this year at this stage (this will move to mid year). However, we will be running a significantly larger Signature Sale (Sale 97) early in March to compensate.

Online Sale 19 again presents a large and diverse sale with lots of quality, interesting and keenly priced items from over 50 vendors and estates. Comprising 1,230 lots to be held over 2 nights, this is an ideal sale with something in it for every collector and budget. We would again like to thank all of our vendors who continue to put their trust in us. We anticipate that OS 19 will be online and live for 20 days to give you plenty of time to view and bid online before the live Online Auction takes place on the evenings of the 19th and 20th of July.

Please contact us to arrange viewing in our offices so we can continue to ensure a safe and comfortable standard for all those who wish to view (please don't just turn up at the door without an appointment so that you won't be disappointed if we can't fit you in).

Once again we have provided an outstanding level of photography with every lot on the website in hi-res, with the PDF and Issue Online catalogues also having ALL 1,230 lots images shown in the catalogue! If you do require further information on any lot, please don't hesitate to contact us, and we will do our best to help you out in any way we can.

Collection of lots will be from Monday the 25th in our offices (again - please call to arrange a suitable time) and postage of lots will begin that day also, with our usual efficient systems getting things moving as fast as possible. Please wait until we have emailed your Final invoice with the correct amount of postage and insurance added to it before paying anything.

NOTE: You can also view your account (whilst logged in) from your accounts page. This will be **UPDATED** as we finalise your invoice with shipping and postage, so you can also refer to this at any time. Another new feature is that the accounts section now also shows your recent Vendor and Purchaser information for your convenience.

Keep an eye out for upcoming next major auction; Signature Sale 96 in October! We have already catalogued a number of superb collections for this, including several hundred Sovereigns, a large selection of gold and gold nuggets and a significant Pre Federation collection. Keep your eyes out on the website for this one, as it is sure to be a sale not to be missed! I can safely say that we have another amazing sale in the works. If you want to take advantage of the strong market conditions in our auctions and consign, then please contact us ASAP. Interstate shipping (with full insurance should you wish) can be arranged to ensure a smooth and efficient service from start to finish. Contact us **NOW** or see the website for details of this and all other upcoming auctions. You can consign items/collections completely Online. **NO COMMISSIONS** or other fees for all sellers means you will get more in hand when you sell with us!

Happy Collecting to all!

All Bidders: Will be advised of successful bids only via email (for all online bidders) or a posted invoice. Invoices will ONLY be sent out once BOTH Auctions have been completed.

All postal (fax/phone/post/via web submission) bidders please note: All non online bids must be received by 4pm AEST Tuesday 19th July 2022. This includes bids submitted directly via the online

website bidding form submission page, fax, phone and post.

Web (online) bidding: Online registered members can place bids up until 6.30pm AEST on each auction day Tuesday 19th and Wednesday 20th July online (www.iagauctions.com).

30 minutes before the start of each auction session all further pre bidding on that days auction session will be suspended. The Live Bidding for that days session will then start at 7pm AEST at Lot 1 and proceed through to Lot 650 in real time via the Live Auction function. A portal for live bidding will become available 5 minutes before the start of each session.

Online Member Bidding: Online members can best bid via building a bidding "Watchlist". This is used to control, view and submit bids through the website. This shows you your current successful/unsuccessful bids and prices (in relation to other postal bids) until all bidding closes for that days session 30 minutes prior to the days Live Auction session commencing. You can also bid directly from any lot (whilst logged in - it will then be added to your watchlist).

Your watchlist will note items you are interested in are watching with an icon during live auction bidding, as well as chiming 5 lots before that item comes up (should you have sound enabled).

If you have submitted bids prior to the live auction (but do not want to participate), you do not have to do anything further. Ensure that you submit your maximum bid, as whilst you may be winning at the close of Online bidding (6:30pm for that days session), the LIVE Auction bidders MAY still outbid your bids. The system automatically bids for you against other Live Online bidding up to your maximum amount in bid increments as displayed.

Live Auction Bidding: You must be registered and logged in to bid. Click the link that pops up on your screen or in your WATCHLIST 5 minutes before the auction starts, or click the Live Auction button at the top of the home page if you are logging in during the session. As the system is automated, there shall be no possible recourse in the case of any dispute, and all bids are final. The auctioneer as represented by the Online bidding system includes International Auction Galleries (IAG) as an entity.

2. Auction payments must be made in full at the conclusion of the sale. Absolutely No lots will be released until payment in full has been made. 7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction.
