# Welcome To IAGs Online Sale 20

**March 2023 saw our huge Signature Sale 97 being another in a long line of IAG's record breaking Signature Sale auctions! Over 20,000 bids, 506 successful buyers and a healthy 94% clearance rate again underpinned the strong position of our sales in what is becoming a sometimes tricky market.**

Online Sale 20 was originally planned to be a smaller, 800 lot clearance style auction, with material mostly sourced from a couple of bigger estates we have been working our way through, along with a build up of some general, mid value items that had been waiting for a space in auction from as far back as mid last year! However, our main focus in recent months had been on collating Signature Sale 98 for October, and meanwhile material for OS 20 kept coming in at a rapid pace. With more and more quality items arriving; here we are with 1,500 lots in what is now a more rounded auction, with some real highlights and items of significant interest!

Unfortunately, we had to turn away a number of vendors for this sale, due to both pressing time and space restraints, meaning that our upcoming auctions; Sale 98 (October) and OS 21 (December), are already being fleshed out, so we would urge anyone considering consigning to these sales to do so ASAP to avoid disappointment, as we can already see some areas being oversubscribed. More details on these sales will be on the web over the coming months.

**Comprising 1,500 lots** to be held over 2 nights, OS 20 is an ideal sale with something in it for every collector and budget. With a wide range of quality and value material from over 70 vendors represented in this auction, it is sure to delight, and we would like to thank all our vendors for their contributions in making OS 20 a success. This auction will be online and live for 18 days to give you plenty of time to view and pre-bid before the live Online Auction takes place on the evenings of the 13<sup>th</sup> and 14<sup>th</sup> of June.

Please contact us to arrange viewing of OS 20 lots in our offices so that we may continue to ensure a safe and comfortable standard for all those who wish to view (please don't just turn up at the office without a prior appointment).

Once again we have provided excellent coverage of every lot in the sale, with full, hi-res images on the website, a fully illustrated PDF and Issuu Online catalogue with ALL 1,500 lots photographed! If you require further information on any lot, please don't hesitate to contact us and we will do our best to try to help you out in any way we can.

**Collection of purchased lots** will be from Monday the 19<sup>th</sup> June in our offices (again, please call to arrange a suitable time), and postage of lots will begin the following day. Remember to wait until we have emailed your Final invoice with the correct amount of postage and insurance added to it before paying anything.

**NOTE:** You can also view your account (whilst logged in) from your accounts page. This will be UPDATED as we finalise your invoice with shipping and postage, so you can also refer to this at any time, along with your past Purchase and Vendor information as well, for your convenience.

Keep an eye out for our next auction; Signature Sale 98 in early October! I can confidently say that it will be one of our most significant sales in recent years!

**Happy Collecting to All!**

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction.
