# Welcome To IAGs Online Sale 21

## IAGs eagerly anticipated June Online Auction!

Online Sale 21 was originally planned to be a smaller 1,200 lot clearance style auction with material mostly from a number of the bigger estates that we have been working our way through, however a large selection of nice general, mid value items that has been building since late last year has continued to grow to the point we are now bursting at the seams, hence this bigger 2000 lot bargain packed Online Sale.

Our main focus in the last few months has been on our major 100 th Signature Sale in September (which so far is looking mind blowing!) meanwhile more and more quality nice material has been coming in at a rapid pace. Currently we have enough general material to take us through to the end of the year, so potential vendors please note that we will be taking limited, smaller and high quality and priced items for Signature Sale 100, with other things now already being placed into OS 22 in December.

OS 100 will be a milestone sale for us, and whilst we have actually held hundreds (thousands?) of auctions since 1984 (we were in fact at one stage running weekly auctions for a number of years!) we have been planning for this sale to be special and working on it for a long time to make it so. As such we would urge anyone considering consigning to S 100 to contact us ASAP to avoid disappointment as some areas are already almost full. More detail on this special sale will be on the website soon, and you can also have an early sneak peek at a few special highlights if you look now.

**Comprising 2,000** lots to be held over 3 nights, OS 21 is an ideal sale with something in it for every collector and budget. With a wide range of quality and value material from over 100 vendors represented in this auction, it is sure to delight, and we would like to thank all our vendors once again for their contributions in making OS 21 a success. This significant auction will be online and live for over 3 weeks to give you plenty of time to view and place pre auction bids before the live Online Auction takes place on the evenings of the 18 th , 19 th and 20 th of June.

Please contact us to arrange viewing of OS 21 lots in our offices so that we may continue to ensure a safe and comfortable standard for all those who wish to view (please do not just turn up at the office without a prior appointment as we may not be able to accommodate you).

Once again we have provided excellent coverage of every lot in the sale, with full, hi-res images on the website and a fully illustrated PDF and Issuu Online catalogue with ALL 2,000 lots photographed! If you require further information on any lot, please don't hesitate to contact us and we will do our best to try to help you out in any way we can.

**Collection of purchased lots:** Will begin on Wednesday 26 th June from our offices (please call to arrange a suitable time) with postage of lots to begin that day. Remember to wait until we have emailed your Final invoice with the correct amount of postage and insurance added to it before paying anything.

Our amazingly efficient Manager (who you all know and love) Susan will be away on a well-deserved long break, so please expect that things will NOT be quite as fast and efficient as usual, so please allow us some extra time to get all of the final invoicing, lot weighing, sorting and packing done.

**NOTE:** You can also view your account at any time (whilst logged in) from your accounts page. This will be UPDATED as we finalise your invoice with shipping and postage, so you can also refer to this at any time, along with your past Purchase and Vendor information as well, for your convenience.

#### Explanation of Current Bids on the Website:

All Items with bid prices in **Green** have currently met, or passed the Reserve price.

All items with bid prices in **Red** are one increment bid below start price.

**All Bidders:** Will be advised of successful bids only via email (all online bidders) or via a posted invoice. Final Invoices will ONLY be sent out once postage is calculated from the 26th.

**All postal (fax/phone/post/via web submission) bidders please note:** All non Online bids must be received by 4pm AEST TUESDAY 18th June 2024. This includes bids submitted directly via the Online Website bidding form submission page, fax, phone and post.

**Web (online) bidding:** Online registered members can place bids up until 6:30pm AEST for that days lots on each of the three Auction days Online: ([www.iagauctions.com](http://www.iagauctions.com)).

30 minutes before the start of each of the three Live auction sessions all further pre bidding on that upcoming session will be suspended. The Live Auction for all three Sessions will then start at 7pm AEST with the first lot of that session via the Live Auction function. A portal for live bidding will become available 5 minutes before the start of each of the three sessions.

**Online Member Bidding:** Members can best bid by first building a bidding “Watchlist”. This is for you to control, view and submit bids through the website. This will show your current successful/unsuccessful bids and prices (in relation to all other bids) until pre-bidding closes for that day’s session. You can also bid directly from any lot (whilst logged in - it will then be added to your watchlist).

Your watchlist will display the lots you have saved and an icon will also be visible to you during the live auction bidding, as well as chiming 5 lots before a watchlist item comes up (should you have sound enabled).

If you have submitted bids prior to the live auction (but do not want to participate), you do not have to do anything further. Ensure that you submit your maximum bid, as whilst you may be winning at the close of Online bidding (at 6:30pm for that days session), the LIVE Auction bidders MAY still outbid your bids. The system automatically bids for you against other Live Online bidding up to your maximum amount in bid increments as displayed.

**Live Auction – How to bid:** You must be a registered to bid. Click the link that pops up in your WATCHLIST (5 minutes before the Auction start) - Or click the Live Auction button at the top of the home page. You must accept the auction Terms and Conditions, and will then be directed to the Live Bidding page. If you get disconnected, please refresh your bidding page.

**Credit Cards & Payment:** All amounts are in Australian Dollars and a 22% Buyers Premium will be payable and added to each lot. Lots are processed upon clearance of funds. We reserve the right to hold new

clients paying by credit card items for up to 30 days. MasterCard and Visa are accepted for payment.

# Terms and Conditions of Sale

*Please read the following "Terms of Sale" carefully. These terms are applicable to all Online bidders and mail/email Postal bidders in this auction. Your submission of all bids in this Auction constitutes your full acceptance of these "Terms of Sale".*

1. This is a live Online public auction, NOT an approval sale. At the live Online Auctions representation of a Sold icon, all sales are then final, and any bid acknowledged and relied on by the automated system shall not be withdrawn. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. As the system is automated, there shall be no possible recourse in the case of any dispute, and all bids are final. The auctioneer as represented by the Online bidding system includes International Auction Galleries (IAG) as an entity.

2. Auction payments must be made in full at the conclusion of the sale. Absolutely No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries), or by Bank Transfer or Major Credit Cards as stipulated. Successful bidders will be notified by either email or mail via an auction receipt. All bidders accounts must be fully finalised within 14 days of the sale date.

3. **A 22% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). Payment by Visa and Mastercard is welcome with no surcharge. We do not accept AMEX.**

4. Unless otherwise specifically stated, each new bid shall be raised above the previous bid by such amount as is determined by the automated bidding system as set out by IAG. No party shall be allowed to retract his or her bid after acknowledgment by the Auction system.

5. International Auction Galleries reserves the right to refuse any bid and to withdraw any goods from sale at any time, or to disclose any reserves or vendor information, without having to state any reason.

6. All Online bidders must to complete a valid registration, with any identification as required by IAG. All Online bidders must accept the Terms and Conditions of Sale as set out here to be considered a valid bidder. Postal bidders must sign and accept the Terms and Conditions and return the form to IAG to be a valid bidder. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment. Payment on approved dealer/trade accounts must be cleared and finalised within 28 days of the sale.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.

8. The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.

9. No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no

returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**

10. If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale, storage, debt recovery, legal fees and/or court costs which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is also entitled to the expenses as set out below:

- a) The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase.

**11. A service charge of 2% compound per month (or part thereof) will be added to overdue accounts (30 days after the date of Auction is the overdue period for all unpaid accounts).** In any event the title of any lots sold will not pass to the purchaser until the full amount of the purchasers auction account has been fully paid and remitted to the vendor, including any other service charges, storage or any other fees resulting from any late payments.

12. Estimates are given only as a guide, and not given as starting points for bidding. Where the start price is disclosed, lots may sell for a price greater than this start price as determined by bidding. All bidding will be in increments from the start price as set out by IAG. All prices are in Australian Dollars.
