Welcome To IAGs Online Sale 22

IAGs eagerly anticipated December Online Auction!

Online Sale 22 was originally planned to be a smaller 1,000 lot clearance style auction, however the arrival of FOUR large estates (one was 18 large boxes!) almost completely filled our offices, and we have been working long hours since to clear the not insignificant backlog! So, once again, we find ourselves with an excellent selection of over 2,000 lots – a sale packed to the brim with bargain prices items of all descriptions and also featuring a lot of top quality and high end material from right across the board.

Our attention now turns to our next Signature Sale - S 101 in March 2025. A good quantity of quality material has already come in for S 101, and with the balance of Estates here we almost have enough general material to take us through S 101, so potential vendors please note that due to high demand for our sales, we will be prioritizing taking smaller and higher quality items for Signature Sale 101. If you aren't sure please email or call us to discuss how we can best help you with you consignment.

The last OS we held we received dozens of calls and emails requesting a catalogue! Please Note: We do not print and post physical catalogues for our Online Sales. This is because of the prohibitive costs associated with printing and posting a physical catalogue (not to say the huge amount of extra time and effort it takes) which has increased by more than 30% over the last few years. The value of our general OS's means it just isn't a feasible proposition unfortunately. We do still make a PDF Catalogue with EVERY lot illustrated in it that you can download and read, and you can also view the OS 22 catalogue Online as an Ebook via Issuu as well from the website.

Comprising 2,010 lots to be held over 3 nightly sessions, OS 22 is an ideal sale with something in it for every collector and budget. With a wide range of quality and value material from over 80 vendors represented in this auction, it is sure to delight, and we would like to thank all our vendors once again for their contributions in making OS 22 a success. This significant auction will be online and live for 2 weeks to give you plenty of time to view and place pre auction bids before the live Online Auction takes place on the evenings of the 3rd, 4th and 5th of December.

Viewing for OS 22 will run the week before the auction starts. Please contact us to arrange viewing of OS 22 lots in our offices so that we may continue to ensure a safe and comfortable standard for all those who wish to view (please do not arrive at the office without an prior appointment as we may not be able to accommodate you).

Once again we have provided excellent coverage of every lot in the sale, with full, hi-res images on the website and a fully illustrated PDF and Issuu Online catalogue with ALL 2,000 lots photographed! If you require further information on any lot, please don't hesitate to contact us and we will do our best to try to help you out in any way we can.

Collection of purchased lots: Will begin on Wednesday 11th December from our offices (please call to arrange a suitable time) with postage of lots to begin that day. Remember to wait until we have emailed your Final invoice with the correct amount of postage and insurance added to it before paying anything.

NOTE: You can also view your account at any time (whilst logged in) from your accounts page. This will be UPDATED as we finalise your invoice with shipping and postage, so you can also refer to this at any time, along with your past Purchase and Vendor information as well, for your convenience.

Happy Collecting to All!

Explanation of Current Bids on the Website:

All Items with bid prices in **Green** have currently met, or passed the Reserve price.

All items with bid prices in **Red** are one increment bid below start price.

All Bidders: Will be advised of successful bids only via email (all online bidders) or via a posted invoice. Final Invoices will ONLY be sent out once postage is calculated from the 26th.

All postal (fax/phone/post/via web submission) bidders please note: All non Online bids must be received by 4pm AEDST TUESDAY 3rd December 2024. This includes bids submitted directly via our Online bidding submission page, email, phone and post.

Web (online) bidding: Online registered members can place bids up until 6.30pm AEDST for that days lots on each of the three Auction days Online: (www.iagauctions.com).

30 minutes before the start of each of the three Live auction sessions all further pre bidding on that upcoming session will be suspended. The Live Auction for all three Sessions will then start at 7pm AEDST with the first lot of that session via the Live Auction function. A portal for live bidding will become available 5 minutes before the start of each of the three sessions.

Online Member Bidding: Members can best bid by first building a bidding "Watchlist". This is for you to control, view and submit bids through the website. This will show your current successful/unsuccessful bids and prices (in relation to all other bids) until pre-bidding closes for that day's session. You can also bid directly from any lot (whilst logged in - it will then be added to your watchlist).

Your watchlist will display the lots you have saved and an icon will also be visible to you during the live auction bidding, as well as chiming 5 lots before a watchlist item comes up (should you have sound enabled).

If you have submitted bids prior to the live auction (but do not want to participate), you do not have to do anything further. Ensure that you submit your maximum bid, as whilst you may be winning at the close of Online bidding (at 6.30pm for that days session), the LIVE Auction bidders MAY still outbid your bids. The system automatically bids for you against other Live Online bidding up to your maximum amount in bid increments as displayed.

Live Auction – How to bid: You must be a registered to bid. Click the link that pops up in your WATCHLIST (5 minutes before the Auction start) - Or click the Live Auction button at the top of the home page. You must accept the auction Terms and Conditions, and will then be directed to the Live Bidding page. If you get disconnected, please refresh your bidding page.

Credit Cards & Payment: All amounts are in Australian Dollars and a 22% Buyers Premium will be payable and added to each lot. Lots are processed upon clearance of funds. We reserve the right to hold new clients paying by credit card items for up to 30 days. MasterCard and Visa are accepted for payment. A 1% surcharge will be added for all credit card payments.

Collectables

- 1967 Antique W. H. Ells Safechek English Sovereign change machine Circa 1905 (Patent number 22067). This early English gold coin exchanger provided change for sovereigns and half sovereigns. The brass mechanism is housed in a mahogany case with a glass front. A sovereign or half sovereign inserted in the proper slot was verified for weight, triggering the mechanism to operate the brass slide below, revealing one of 16 copper or brass cups containing the proper change for the appropriate coin. If the coin was of improper weight, it was returned through a slot below the mechanism. Receptacles in the rear of the machine accommodate the empty cups after change is received. Two copper cups contain (incorrect) eight shillings of actual change for a sovereign. Original keys are also included. Working condition and very rare. Dimensions: 31x20x20cm. Antique

Terms and Conditions of Sale

Please read the following "Terms of Sale" carefully. These terms are applicable to all Online bidders and mail/email Postal bidders in this auction. Your submission of all bids in this Auction constitutes your full acceptance of these "Terms of Sale".

1. This is a live Online public auction, NOT an approval sale. At the live Online Auctions representation of a Sold icon, all sales are then final, and any bid acknowledged and relied on by the automated system shall not be withdrawn. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. As the system is automated, there shall be no possible recourse in the case of any dispute, and all bids are final. The auctioneer as represented by the Online bidding system includes International Auction Galleries (IAG) as an entity.

2. Auction payments must be made in full at the conclusion of the sale. Absolutely No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries), or by Bank Transfer or Major Credit Cards as stipulated. Successful bidders will be notified by either email or mail via an auction receipt. All bidders accounts must be fully finalised within 14 days of the sale date.

3. **A 22% buyer's premium will be added to the knock down price of each lot (includes GST where applicable).** A 1% surcharge will be added for all credit card payments. International buyers must pay by direct debit. Credit Cards will be refused for all International purchasers.

4. Unless otherwise specifically stated, each new bid shall be raised above the previous bid by such amount as is determined by the automated bidding system as set out by IAG. No party shall be allowed to retract his or her bid after acknowledgment by the Auction system.

5. International Auction Galleries reserves the right to refuse any bid and to withdraw any goods from sale at any time, or to disclose any reserves or vendor information, without having to state any reason.

6. All Online bidders must to complete a valid registration, with any identification as required by IAG. All Online bidders must accept the Terms and Conditions of Sale as set out here to be considered a valid bidder. Postal bidders must sign and accept the Terms and Conditions and return the form to IAG to be a valid bidder. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment. Payment on approved dealer/trade accounts must be cleared and finalised within 28 days of the sale.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. Lots are available for inspection prior to the commencement of the sale and it shall be presumed that they have been inspected and the purchaser accepts them as offered as is with all faults, on the basis of Caveat Emptor. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis. No guarantee or right of refund is given on any third party graded items in respect to authenticity or grade. Any purchased item(s) sent for third party grading shall also void any right to return.

8. The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods or grade is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price (including any quantities expressed) and the auctioneer shall not be held responsible for any such error. The auctioneer gives no warranty or right of return in respect to grading of any lots (as expressed in clause 7). All images used are given as a guide only, and are not guaranteed to be an accurate representation.

9. No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It is assumed

that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**

10. If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale, storage, debt recovery, legal fees and/or court costs which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is also entitled to the expenses as set out below:

a) The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase.

b) The full cost of advertising and all other expenses related to re-sale as deemed necessary, including recovery and legal fees, court costs, interest, storage costs and insurance charges.

c) Any differential in price from the initial sale price to the price achieved in re sale of the items(s).

11. A service charge of 2% compound per month (or part thereof) will be added to overdue accounts (30 days after the date of Auction is the overdue period for all unpaid accounts).

In any event the title of any lots sold will not pass to the purchaser until the full amount of the purchasers auction account has been fully paid and remitted to the vendor, including any other service charges, storage or any other fees resulting from any late payments.

12. Estimates are given only as a guide, and not given as starting points for bidding. Where the start price is disclosed, lots may sell for a price greater than this start price as determined by bidding. All bidding will be in increments from the start price as set out by IAG. All prices are in Australian Dollars.

13. Postage and Insurance: If a purchaser declines to pay the mandatory insurance charge applied to their account for cover during shipping/postage then they shall assume all responsibility for that item(s). Any possible loss or damage to that item(s) shall then be the purchaser's responsibility.

14. By accepting these Terms and Conditions and/or by making any bid, the bidder guarantees they have the funds or ability to pay for any and all items bid on (including buyer's premiums, insurance, postage and other charges) within the stipulated timeframe as set out above in clause two as part of the Auction Terms and Conditions.
