Explanation of Current Bids on the Website:

All Items with bid prices in **Green** have currently met, or passed the Reserve price.

All items with bid prices in **Red** are one increment bid below start price.

All Bidders: Will be advised of successful bids via email. Final Invoices will ONLY be sent out once postage and insurance has been calculated and added from the 8th June.

All postal (fax/phone/post/via web submission) bidders please note: Non-Online member bids

must be received by 4pm AEST TUESDAY 2nd June to be valid. This includes bids submitted directly via the Online Website bidding form submission page, phone and post.

Web (online) bidding: Online Members can place bids up until 6:30pm AEST for that day's live session. 30 minutes before the start of that day's Live auction session, further pre bidding on that session will close off. The Live Auction for that Sessions will then start at 7pm AEST with the first lot of that session via the Live Auction function.

Online Member Bidding: Members can best bid by first building a bidding "Watchlist". This is for you to control, view and submit bids through the website. This will show your current successful/unsuccessful bids and prices (in relation to all other bids) until pre-bidding closes for that day's session. You can also bid directly from any lot (whilst logged in - it will then be added to your watchlist).

Your watchlist will display the lots you have saved and an icon will also be visible to you during the live auction bidding, as well as chiming 5 lots before a watchlist item comes up (should you have sound enabled).

If you have submitted bids prior to the live auction (but do not want to participate), you do not have to do anything further. Ensure that you submit your MAXIMUM bid as whilst you may be winning at the close of Online bidding (at 6:30pm for that day's session) the LIVE Auction bidders MAY still outbid you. The system will automatically bid for you (if necessary) against other Live Online bidders up to your maximum amount in bid increments as displayed.

Live Auction – How to bid: You must be a registered to bid. Click the link that pops up in your WATCHLIST (5 minutes before the Auction start) - Or click the Live Auction button at the top of the home page. You must accept the auction Terms and Conditions, and will then be directed to the Live Bidding page. If you get disconnected, please refresh your bidding page.

Credit Cards & Payment: All amounts are in Australian Dollars and a 22% Buyers Premium will be payable and added to each lot. Lots are processed upon clearance of funds. We reserve the right to hold new clients paying by credit card items for up to 30 days. MasterCard and Visa are accepted for payment. A 1% surcharge will be added for all credit card payments.

All payments must be finalized within 14 days of Sale.

To pay by Credit Card: Contact our office: (07) 55 380 300 or email us: mail@iagauctions.com

Terms and Conditions of Sale

Please read the following "Terms of Sale" carefully. These terms are applicable to all floor, postal and online bidders. Submission of any bids in this Auction constitutes your full acceptance of these "Terms of Sale".

1. All Bids expressed either via Online or live in the saleroom shall remain valid until the fall of the gavel or auctioneer's call of "Sold" and all sales are then considered as final. Bid(s) from any source as acknowledged by the auctioneer shall not be withdrawn once placed. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. The auctioneer has final discretion in all such matters. In case of a dispute, the lot(s) in question may be immediately resold. The auctioneer as represented here includes International Auction Galleries as an entity.

2. Auction payments must be made in full within 14 days of the sale date. No lots will be released until payment in full has been made. Payment may be made by Bank Transfer, Visa or Mastercard, or in Cash. Successful bidders will be notified and issued an auction account inclusive of any applicable postage or insurance. All such accounts must then be fully finalised within 14 days of the sale date. Payment on approved dealer/trade accounts must be finalised within 28 days of sale.

3. A 22% buyer's premium will be added to the knock down price of each lot (includes applicable GST). A 1% surcharge will be added for credit card payments. Credit Card payments over \$250 will not be accepted for International buyers with payment to be made otherwise by direct debit.

4. Unless otherwise specifically stated by the auctioneer, each new bid shall be raised above the previous bid by such amount as is determined by the auctioneer during the course of the auction, and no party shall be allowed to retract his or her bid after acknowledgment by the auctioneer.

5. The auctioneer reserves the right(s) to refuse any bid, withdraw any goods from sale at any time, or to disclose reserves or vendor information without having to state any reason.

6. At the fall of the hammer (if required by the Auctioneer), the purchaser shall give his or her full name and address, and pay 25% of the purchase price deposit. In default, the lot(s) purchased may, at the auctioneer's discretion, immediately be reoffered and resold. All lots sold will remain the property of the vendor until payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. Lots are available for inspection prior to the commencement of the sale and it shall be presumed that they have been inspected and the purchaser accepts them as offered as is with all faults, on the basis of Caveat Emptor. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis. No guarantee or right of refund is given on any third party graded items in respect to authenticity or grade. Any purchased item(s) sent for third party grading shall also void any right to return.

8. The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods or grade is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price (including any quantities expressed) and the auctioneer shall not be held responsible for any such error. The auctioneer gives no warranty or right of return in respect to grading of any lots (as expressed in clause 7). All images used are given as a guide only, and are not guaranteed to be an accurate representation of the item on offer.

9. No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It is as-

sumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then considered final.

10. If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer resulting from any re-sale, storage, insurance, debt recovery, legal fees and/or court costs which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is also entitled to the following expenses as set out below:

a) The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase.

b) The full cost of advertising and all other expenses related to re-sale as deemed necessary, including recovery and legal fees, court costs, interest, storage costs and insurance charges.

c) Any differential in price from the initial sale price to the price achieved in re sale of the items(s).

11. A service charge of 2% compound per month (or part thereof) will be added to any overdue accounts (28 days after the date of Auction is the overdue period for all unpaid accounts). Title of any lots sold will not pass to the purchaser until the full amount of the purchaser's auction account has been paid in full and remitted to the vendor, including any other applicable service charges, storage, insurance or any other fees resulting from late payment of accounts.

12. Estimates are given as a guide, and not given as starting points for bidding: Lots may sell for a price greater or less than these estimates. All prices shown are in Australian Dollars.

13. Postage and Insurance: If a purchaser declines to pay the mandatory insurance charge applied to their account for cover during shipping/postage then they shall assume all responsibility for that item(s). Any possible loss or damage to that item(s) shall then be the purchaser's responsibility.

14. By accepting these Terms and Conditions and/or by making any bid, the bidder guarantees they have the funds or ability to pay for any and all items bid on (including buyer's premiums, insurance, postage and other charges) within the stipulated timeframe as set out above in clause two as part of the Auction Terms and Conditions. Non-payment of accounts within the specified time will be handed to debt collection agencies as a legal requirement in settlement of the Trust Account.

15. All images, text and information supplied in this catalogue remain the property of International Auction Galleries, and may not be used or transmitted in any way without prior written permission.

Note - Images may not be shown to scale.
