Welcome To IAGs Online Sale 9

Welcome to another Online Sale, and what a cracking auction it is indeed! With three auctions this year already under our belt, it has been another busy start for all of us here at IAG!

We are still working on the software to deliver an even better online experience, and will have a payment gateway up later in the year to make your payments a little easier. Our online vendor submit function is now fully live, and this has made submitting lots into our sales even easier! You might also notice in your Watchlist you can change the view to show only the lots you have bid on (winning and not winning) or all of the lots you haven't bid on. This (hopefully) makes it even easier to see how your bids are going!

We are still ironing out a few minor bugs in the program, and will have the updates and testing done well before this sale begins. The huge volume of bids (5,000 plus) and online bidders (more than 250) we are getting each sale means we have to keep upgrading things to handle the load! We would ask you not to "mash" the mouse button when bidding, but rather to use single clicks each bid, and remember, if you do get disconnected for any reason, simply refresh the page to be instantly reconnected.

This Sale comprises another excellent assortment of interesting, rare and quality items with 830 lots on offer, and is packed with some excellent bargain buying! We are seeing some steady gains in the numismatic market in a number of areas, so now is a great time to buy!

Terms And Conditions of Sale

Please read the following "Terms of Sale" carefully. These terms are applicable to all Online bidders and mail/email Postal bidders in this auction. Your submission of all bids in this Auction constitutes your full acceptance of these "Terms of Sale".

- 1.** This is a live Online public auction, NOT an approval sale. At the live Online Auctions representation of a Sold icon, all sales are then final, and any bid acknowledged and relied on by the automated system shall not be withdrawn. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. As the system is automated, there shall be no possible recourse in the case of any dispute, and all bids are final. The auctioneer as represented by the Online bidding system includes International Auction Galleries (IAG) as an entity.
- 2.** Auction payments must be made in full at the conclusion of the sale. Absolutely No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries), or by Bank Transfer or Major Credit Cards as stipulated. Successful bidders will be notified by either email or mail via an auction receipt. All bidders accounts must be fully finalised within 14 days of the sale date.
- 3.** A 19.25% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). **All payments by American Express will incur a 3% surcharge.**
- 4.** Unless otherwise specifically stated, each new bid shall be raised above the previous bid by such amount as is determined by the automated bidding system as set out by IAG. No party shall be allowed to retract his or her bid after acknowledgment by the Auction system.
- 5.** International Auction Galleries reserves the right to refuse any bid and to withdraw any goods from sale at any time, or to disclose any reserves or vendor information, without having to state any reason.
- 6.** All Online bidders must to complete a valid registration, with any identification as required by IAG. All Online bidders must accept the Terms and Conditions of Sale as set out here to be considered a valid bidder. Postal bidders must sign and accept the Terms and Conditions and return the form to IAG to be a valid bidder. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment.
- 7.** Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.
- 8.** The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.
- 9.** No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**
- 10.** If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale and storage, which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is entitled to:
 - a)** The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase.
