Welcome To Sale 85

Welcome to our first Signature Auction for 2017! What a fantastic, highlight filled and interesting sale, a great way to start the numismatic year!

With our market now seeming to have bottomed out and is slowly on the rise, we are seeing the availability of quality stock drying up in the market, and this is sure to lead to future price rises. Many areas of quality items now look to be under priced, and I would look to things like quality Pre Decimal and Pre Federation banknotes, any high grade Proofs (especially George V), high grade Pre Decimal Coins, gold, really any of the top rarities which have fallen significantly. This current sale has a great selection of such items, so don't miss out!

A client recently said to us that he hadn't heard anything from us for a while, and that he thought we weren't doing much! As he wasn't an online member and hadn't signed up for our emails, he didn't know he had missed out on 6 of our 8 Auctions in 2016, had only seen 1,500 of the 5,000 lots we had sold and missed out on so many bargains that were only available online! Flash Sales, Single Vendor Sales, full Online sales, all LIVE online, and with full screen images for every lot! For those that ONLY get the twice yearly printed catalogues, I'd urge you to look now at the website, sign up for FREE and see what you have been missing!

Vendors (and potential vendors) note: You can now submit items for our Auctions completely online on our website! List your items for sale, add in your estimated reserves, even upload pictures all to allow us to easily accept, enter and invoice your items online! A full payment gateway is on the way, and soon vendor payments will be all made direct via EFT. This means that consigning is easier and faster than ever, and more auctions and a full electronic service means you get your money faster than ever.

Some Sale 85 Auction Highlights and more...

Key highlights for Sale 85 include the Roth Family Holey Dollar 1813, a high grade example in aEF condition with upright countermarks virtually as struck, and an impressive provenance. This important colonial coin is estimated at \$160,000, this would have to be the best value Holey Dollar in years! A superb gold Taylor Pattern Shilling, one of only two known, was estimated at \$280,000 and has been sold privately prior to Auction. The 1914H Specimen Proof Florin with superb pedigree is another key highlight, and one of only three known examples. This superb coin is ex the Birmingham Mint Collection, as well as several major Auctions from 1985 on. It was sold in 2011 for \$221,350 and again retail soon after for \$280,000, so at the estimate of only \$70,000, is another fantastic buying opportunity.

Banknote highlights include an extremely rare 1 Pound Specimen 1923 Miller-Collins, one of only two such examples known. It is extremely rare to see George V Specimens on offer, and at the estimate of \$34,000, is sure to be snapped up. Another rare and interesting Specimen note is a 10 Shillings 1933 (R 9), again extremely rare and priced around what an

UNC note used to sell for! An important pair of \$100 Specimens presented to head designer Gordon Andrews is also on offer, along with high quality Predecimal, Decimal, Starnotes and Misprints, as well as some rare Pre Federation signed and Specimen issues.

Other coin highlights include a comprehensive selection of Pre Decimal coinage, comprising both proof and circulation issues in high grade. A few highlights in proof include a superb 1928 Proof Penny, a PCGS graded Shilling 1934 PR 66, a 1935 Penny and Halfpenny pair PR 64RB, a 1939 Roo Halfpenny, a 1938 Halfpenny and a lovely single 1935 Penny. This is along with three 1930 Pennies in assorted grades priced from \$6,000 upwards, along with a VF 1813 Dump and a large quantity of Choice and Gem grade coins, many PCGS graded including many rare issues.

Once again this superb sale has something for every collector, and every budget!

Happy Collecting to all.

Terms And Conditions of Sale

Please read the following "Terms of Sale" carefully. These terms are applicable to all floor, postal and online bidders in this auction. Submission of bids in this Auction constitutes your full acceptance of these "Terms of Sale".

1. This is a public auction sale, NOT an approval sale. At the fall of the gavel or auctioneer's call of "Sold", all sales are then final, and any bid acknowledged and relied on by the auctioneer shall not be withdrawn. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. The auctioneer has final discretion in all such matters. In case of a dispute, the lot(s) in question may be immediately resold. The auctioneer as represented here includes International Auction Galleries as an entity.

2. Payments must be made in full and all floor bidder purchases must be removed the day of the sale, or by 5p.m. the next day. Absolutely No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries), or by Bank Transfer or Major Credit Cards as stipulated. Successful postal bidders will be notified by mail via an auction receipt. All postal bidder accounts must be fully finalised within 14 days of the sale date.

3. A 19.25% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). **All payments by American Express will incur a 3% surcharge.**

4. Unless otherwise specifically stated by the auctioneer, each new bid shall be raised above the previous bid by such amount as is determined by the auctioneer during the course of the auction, and no party shall be allowed to retract his or her bid after acknowledgment by the auctioneer.

5. The auctioneer reserves the right to refuse any bid and to withdraw any goods from sale at any time, or to disclose any reserves or vendor information, without having to state any reason.

6. At the fall of the hammer, (if required by the Auctioneer), the purchaser shall give his or her full name and address, and pay 25% of the purchase price deposit. In default, the lot(s) purchased may, at the auctioneer's discretion, immediately be reoffered and resold. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.

8. The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.

9. No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**

10. If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale and storage, which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is entitled to:

a) The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase.

b) The full cost of advertising and all other expenses related to re-sale as deemed necessary, including any storage costs and insurance charges.

c) Any differential in price from the initial sale price to the price achieved in re sale of the items(s).

11. A service charge of 2% compound per month (or part thereof) will be added to overdue accounts (30 days after the date of Auction is the overdue period for all unpaid accounts). In any event the title of any lots sold will not pass to the purchaser until the full amount of the purchasers auction account has been fully paid and remitted to the vendor, including any other service charges, storage or any other fees resulting from any late payments.

12. Estimates are given only as a guide, and not given as starting points for bidding: Lots may sell for a price greater than or less than these estimates. Bidding will start at an increment above the lowest postal bid received, or at the Auctioneers sole discretion. All prices are in Australian Dollars.

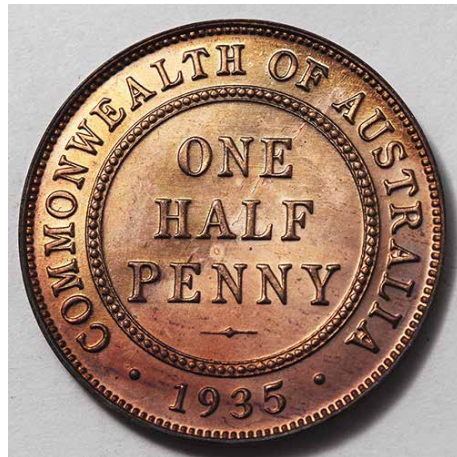

13. All images, text and information supplied in this catalogue remain the property of International Auction Galleries, and may not be used or transmitted in any way without written permission.
