Welcome To IAGs Sale 94

Welcome to our second Signature Sale for 2021! This sale presents our finest offerings this year with a high quality selection of rare, interesting and collectable material from 61 vendors along with several large estates. In what is now our largest ever sale, S 94 is weighing in at a huge 1620 lots, despite the difficulties Covid again presented. We are proud of this sale and hope you enjoy participating in it as much as we did putting it all together!

The difficult challenges that Covid restrictions again presented unfortunately robbed us of almost a million dollars in material that we had lined up and then couldn't access, however we hope to bring these to auction in the near future. We are pleased to note that our online membership has now surpassed 2,500 members, and we continue to work on improving our whole online experience and making our processes better and easier to use.

For those keen on acquiring our small allocation of in-demand ANDA Show products from the canceled ANDA Money Expos, both the Melbourne and Perth issues have already been lotted for our next Online Sale in December, with the Sydney products to also be added when we receive them later in the year.

Demand in many numismatic areas is now outstripping supply, indicating that the time to buy is NOW – especially whilst there are so many good buying opportunities right here in this catalogue! This sale also marks the end of the majority of the Estate of Klaus Ford, although there is still quite a large selection of lesser and bulk unreserved material that will be on offer in our December auction. With the continued shortage of quality material in the market compared to even three years ago, this sale represents an excellent buying opportunity with so much fresh and exciting stock. Online buying has also continued to boom through the past year and a half, so by keeping our auctions online only we can offer a smoother bidding and customer experience for all of our clients.

Some Sale 94 Auction Highlights and more...

One of the key collections featured in this Sale is an old collection of British Crowns, featuring several rare examples such as the Cromwell and Commonwealth issues and includes almost all of the portrait types, with everything in superior high grade. From the same vendor is a small but rare collection of early medals, featuring the first Gallantry medal awarded to an Australian for Military Service and a group of four from the renowned 93rd Highlanders (of The Thin Red Line fame) and medals from the Boer, Crimean, China and Indonesian wars, along with a nice selection of choice Proclamation coinage.

There are a number of banknote collections and single consignments featuring many key issues; headlined by not one but two rare 100 Pound 1924 note issues of both types (R 69a and R 69b). Underpinning these is a 10 Pound 1918 (R 52c) in gVF/aEF, a 1 Pound 1933 Specimen note and a varied selection of issued and specimen Pre Federation. Two other Pre Decimal issues worth noting include a 1 Pound 1923 pair in UNC and an original run of ten 10 Pounds 1949. Decimal notes, Starnotes, Specimens including a \$5 and \$10 Polymer presentation album, and a large selection of First and Last Prefix banknotes, interesting serial numbered notes and some trial banknotes all also feature. Further to these is the second part of a significant Misprint collection, with some major and important error notes on offer.

Rare Australian coins include a slabbed UNC Type 1 1852 Adelaide Pound in MS 61, two Type II 1852 Adelaide Pounds, a Type 3 1919 and Type 12 1921 Kookaburra Penny, a number of Pre Decimal Proof coins including a 1916 and a 1939 Roo Halfpenny, 1947Y and 1948Y Penny, 1937 Crown

and a 1934 silver set all in FDC. Pre Decimal coins of significance feature two 1930 Pennies, two 1813 NSW Dumps, a Specimen 1934/5 Melbourne Centenary Florin along with a fantastic selection of Decimal error coins including the highest graded scalloped edge 20 Cent struck on a Hong Kong \$2 blank and a previously unknown \$2 with a 5 Cent Mule. A strong selection of gold includes a number of key Half Sovereigns and Sovereigns with choice Sydney Mint Half Sovereigns from 1856 on and a complete run of Sydney Mint Sovereigns, with some in high grade such as an 1855 in EF and many more.

Additionally to these many highlights is Part Three of the vast Estate of former dealer Klaus Ford, which adds a large quantity of World coins and banknotes, GB, Tokens, Medals, Pre Decimal and Decimal coins and banknotes. To top this off is a huge selection of Pre Decimal Coins including PCGS and several collections that include numerous RAM, Perth and NPA mint issues, sets, bulk and unreserved lots. Another large estate (shipped in 4 enormous metal boxes) includes some choice Pre Decimal coins and banknotes, along with hundreds of Mint products, bullion and silver, a sizable collection of gold Half Sovereigns and Sovereigns, dozens of quality Stamp albums and much more.

We hope that everyone stays safe and well in these difficult times, and we look forward to the coming New Year with the hope that it brings better days for us all, and allows us the opportunity to meet and share our numismatic passions in person.

Happy Collecting to all!

Terms And Conditions of Sale

Please read the following "Terms of Sale" carefully. These terms are applicable to all floor, postal and online bidders in this auction. Submission of bids in this Auction constitutes your full acceptance of these "Terms of Sale".

1. All Bids expressed either via Online or live in the saleroom shall remain valid until the fall of the gavel or auctioneer's call of "Sold". All sales are then final. Any bid(s) from any source as acknowledged and relied on by the auctioneer shall not be withdrawn. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. The auctioneer has final discretion in all such matters. In case of a dispute, the lot(s) in question may be immediately resold. The auctioneer as represented here includes International Auction Galleries as an entity.

2. Auction payments must be made in full within 14 days of the sale date. No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries) by Bank Transfer or Major Credit Cards as stipulated. Successful Online/Postal bidders will be notified and issued an auction account. All such accounts must be fully finalised within 14 days of the sale date.

3. A 22% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). Payment by Visa and Mastercard is welcome with no surcharge. **We do not accept AMEX.**

4. Unless otherwise specifically stated by the auctioneer, each new bid shall be raised above the previous bid by such amount as is determined by the auctioneer during the course of the auction, and no party shall be allowed to retract his or her bid after acknowledgment by the auctioneer.

5. The auctioneer reserves the right(s) to refuse any bid, withdraw any goods from sale at any time, or disclose reserves or vendor information without having to state any reason.

6. At the fall of the hammer, (if required by the Auctioneer), the purchaser shall give his or her full name and address, and pay 25% of the purchase price deposit. In default, the lot(s) purchased may, at the auctioneer's discretion, immediately be reoffered and resold. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment. Payment on approved dealer/trade accounts must be cleared and finalised within 28 days of sale.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.

8. The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.

9. No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It

is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**

10. If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale, storage, debt recovery, legal fees and/or court costs which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is also entitled to the expenses as set out below:

a) The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase.

b) The full cost of advertising and all other expenses related to re-sale as deemed necessary, including recovery and legal fees, court costs, interest, storage costs and insurance charges.

c) Any differential in price from the initial sale price to the price achieved in re sale of the item(s).

11. A service charge of 2% compound per month (or part thereof) will be added to overdue accounts (28 days after the date of Auction is the overdue period for all unpaid accounts). In any event the title of any lots sold will not pass to the purchaser until the full amount of the purchasers auction account has been fully paid and remitted to the vendor, including any other service charges, storage or any other fees resulting from any late payments.

12. Estimates are given as a guide, and not given as starting points for bidding: Lots may sell for a price greater or less than these estimates. All prices are in Australian Dollars.

13. Postage and Insurance: If a purchaser declines to pay the mandatory insurance charge applied to their account for cover during shipping/postage then they shall assume all responsibility for that item(s). Any possible loss or damage to that item(s) shall then be the purchaser's responsibility.

14. By accepting these Terms and Conditions and making any bid, the bidder guarantees that they have the funds or ability to pay for any and all items bid on (including any buyer's premiums, insurance and postage as required) within the stipulated timeframe as set out above and as part of the Auction Terms and Conditions.
