# Welcome To IAGs Sale 95

*Welcome to our first Signature Sale for 2022! This fantastic auction once again presents a high quality selection of 1400 rare, interesting and collectable material from a record 85 vendors (including several estates and many new smaller collections) along with the final offerings from the Estate of Klaus Ford. We are proud of the high quality selection we have managed to assemble despite ongoing travel constraints, and are indebted to many of our regular vendors who have stepped up with extra consignments to ensure this sale is going to be a great success - we know you won't be disappointed!*

*While the challenges and restrictions of covid are finally beginning to ease, they still restricted a significant number of planned consignments, something we hope to rectify by the next Signature Sale in September! With our online membership passing 2,700 members and a return to ANDA Money Expos from late April (with the first in Brisbane), we will be promoting this Sale wider than ever before. If you are in the Brisbane area on the weekend of 30 th April/1 st May, come see us at the Brisbane Money Expo (at the Royal International Convention Centre, Gregory Tce Bowen Hills) and say hello, do some Sale 95 viewing or consign lots for our upcoming sales!*

*We have continued to work on improving our online system to ensure it remains the premiere online bidding experience and tweaking all of our processes from Vendor consignments to post-auction dispatch as well as adding new features to continue make our services even better.*

*We are continuing to see demand in most numismatic areas outstripping supply, and feel that with the significant number of new buyers that have entered the market over the last two years will only continue. Now is a great time to buy – and especially whilst there are so many good buying opportunities right here in this catalogue with a ton of fresh and high quality material on offer, so do not miss out on this one!*

## Some Sale 95 Auction Highlights and more...

One of the key items in S 95 is a 20 Pound Superscribed banknote, one of only two known, and with the highest of provenances, being ex the Dr Alan Nicholson collection, the Walscott collection and the Ray Jewell collection. This is the first time in over 25 years this significant rarity has been offered on the market, and it is certain to draw interest from Pre-Federation collectors from around the globe!

Four significant coin collections in S 95 include some exceptional rarities: a 1921 Square Penny SP 65, an XF 40 1930 Penny, a 1923 Halfpenny graded AU 58 and a lovely 1852 Adelaide Pound Type II, along with more than twenty George V and George VI Pre Decimal Proof and Specimen coins in one of the most important Proof offerings in a long time. Some Pre Decimal Proof highlights include rarities such as Proof Halfpennies 1939 Roo, 1942Y and 1946Y along with 1935, 1938 and 1943I Copper Pairs, 1934, 1939 and 1945Y Proof Pennies, a full 1951PL Proof set of 4 and a superb Proof 1927 Canberra Florin. Several specimen issues also feature including a 1916 Penny SP 64RB, 1925 Sixpence, 1910 and 1933 Shillings and a Specimen 1934/5 Melbourne Centenary Florin with nipple, along with a large selection of other QE II Proof issues, including many PCGS graded.

A large collection of Pre Federation includes a rare issued 1 Pound Bank of Queensland on Toowoomba, along with many rare Specimen and Black and White issues, followed up with some key banknotes, including a collection featuring many rare issues in collectable grade, headlined by a 10 Shillings red serial Presentation issue (R 1a) and a 10 Pound 1913 Collins-Allen (R 51). A Superfund collection purchased mostly from IAG over the last 8 years includes many more banknote highlights, none better than the 1 Pound 1918 consecutive pair in aU/UNC, or the finest of three 5 Pound

1914 (R 36a) blue serials along with the key Starnote; a 10/- 1942 in aU/UNC. Other banknotes of note include a 1914 Rainbow Pound and a 1 Pound Specimen 1933, along with a large selection Specimens, Starnotes, First and Last Prefixes and Decimal, and a solid selection of 30 Polymer specimen, trial and printers design trials issues.

Other items of interest include an 1860 Sydney Mint Half Sovereign in AU 58 and another high grade 1923 Halfpenny and 1930 Penny in aU/UNC and VF/gVF respectively, alongside a 1918I Penny MS 65 RB and a Gem 1911 Florin. A nice 1731 Johanna heads the Proclamation coins, GB coins include seldom-seen Proof issues of 1797 Cartwheel Penny (PF 65BN) and Twopence (PF 64BN), along with a Derbyshire countermarked 4/9, multiple gold and high grade issues and other PCGS graded examples. World notes include rare 50 and 100 Pound Bank of NZ Specimen issues, whilst error coins feature a fantastic 20 Cent struck on a Cook Islands Triangular \$2 Aluminium Bronze Planchet - one of the most stunning and important decimal errors I have seen.

Additionally to these many highlights is the final part of the Estate of former dealer Klaus Ford, which adds a nice selection of World coins and banknotes, Pre Decimal coins, GB, Tokens, Medals and much more, along with a large selection of RAM, Perth and NPA mint issues, sets, bulk, unreserved lots along with two other estates.

We hope that you enjoy this fantastic selection in Signature Sale 95. We are looking forward to us all being able to travel more in 2022 to meet face-to-face and share our numismatic passions.

**For those more familiar with our Online Postal Sales, you can think of the Estimates more as the starting bid price of what we expect to achieve.**

**Explanation of Current Bids on the Website:**

All Items in **Green** have currently met, or passed the Reserve price.

Lots that do not have bids, or that have not met reserve will not show anything.

**All Bidders:** Will be advised of successful bids only via email (for all online bidders) or a posted invoice. Invoices will ONLY be sent out once BOTH Auctions have been completed.

**All postal (fax/phone/post/via web submission) bidders please note:** All non Online bids must be received by 4pm AEST FRIDAY 6th May 2022. This includes bids submitted directly via the Online Website bidding form submission page, fax, phone and post.

**Web (online) bidding:** Online registered members can place bids up until 12:30pm AEST on each Auction day Saturday 7th and Sunday 8th May Online: ([www.iagauctions.com](http://www.iagauctions.com)).

30 minutes before the start of either auction all other bidding on that days auction SESSION will be suspended. The Live Auction for that days Session will then start at 1pm AEST with the first lot of that days session via the Live Auction function.

**Online Member Bidding:** Online members can best bid via building a bidding "Watchlist". This is used to control, view and submit bids through the website. This shows you your current successful/unsuccessful bids and prices (in relation to all other bids) until bidding closes for that day's session 30 minutes prior to the days Live Auction commencing. You can also bid directly from any lot (whilst logged in - it will then be added to your watchlist).

Your watchlist will note items you are interested in are watching with an icon during live auction bidding, as well as chiming 5 lots before that item comes up (should you have sound enabled).

If you have submitted bids prior to the live auction (but do not want to participate), you do not have to do anything further. Ensure that you submit your maximum bid, as whilst you may be winning at the close of Online bidding (12:30pm for that days session), the LIVE Auction bidders MAY still outbid your bids. The system automatically bids for you against other Live Online bidding up to your maximum amount in bid increments as displayed.

**Live Auction – How to bid:** You must be registered to bid. Click the link that pops up in your WATCHLIST (5 minutes before the Auction start) - Or click the Live Auction button at the top of the home page. 3. A 22% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). Payment by Visa and Mastercard is welcome with no surcharge. **We do not accept AMEX.**

4. Unless otherwise specifically stated by the auctioneer, each new bid shall be raised above the previous bid by such amount as is determined by the auctioneer during the course of the auction, and no party shall be allowed to retract his or her bid after acknowledgment by the auctioneer.

5. The auctioneer reserves the right(s) to refuse any bid, withdraw any goods from sale at any time, or disclose reserves or vendor information without having to state any reason.

6. At the fall of the hammer, (if required by the Auctioneer), the purchaser shall give his or her full name and address, and pay 25% of the purchase price deposit. In default, the lot(s) purchased may, at the auctioneer's discretion, immediately be reoffered and resold. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment. Payment on approved dealer/trade accounts must be cleared and finalised within 28 days of sale.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.

Any statement as to the description of goods is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.

9. No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It

is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**
