Welcome To IAGs Signature Sale 96

Welcome to our final Auction for 2022! Sale 96 is our biggest ever auction, with a huge selection of 2,000 high quality, rare, interesting and collectable lots from over 100 vendors including several large estates and old collections. We are proud to offer such a high quality selection across the board in this sale, with probably the largest selection of desirable and sought after material we have ever offered! We are indebted to all of the vendors in Sale 96 for helping to make this fantastic sale become a reality - we know you won't be disappointed!

Firstly, apologies for the lateness of this sale. The previous challenges that covid caused, whilst now largely over, created a backlog we had to work through, hence the size of this sale. Secondly, we will not be doing a December/January Online sale at this time, but will rather be focusing our efforts on our next Signature Sale (Sale 97 in March 2023) in a bid to get back to our regular auction schedule of the last 15 years of March and September as being our major Signature Sales. This will give vendors more time to get material to us for the March Sale, for which we are accepting lots now with Sale 97 already underway (and we can also fit in those who missed out on consigning to the last auction - but don't delay!). We will be at the ANDA Sydney Money Expo on the 8th / 9th of October for all our NSW clients who might wish to consign and we will also be doing (limited) viewing of the highlights and single lots from Sale 96. Please contact us beforehand to schedule in a suitable time if you wish to see us with a view to consigning.

We are still seeing strong demand with most numismatic areas outstripping supply, and expect this to continue with the number of new buyers in the market. With the recent passing of the Queen, a whole range of new products featuring the first new monarch in 70 years will be sure to drive significant new interest in numismatics. This auction presents a great time to buy – especially with the fantastic selection (including a huge amount of gold) in this sale, with a tonne of fresh and high quality material priced to the market on offer - do not miss out on this one!

Some Sale 96 Auction Highlights and more...

The rare 1713 Pattern Anne gold Farthing has sparked a frenzy both locally and overseas, with interest from a dozen parties already. From the same old collection comes a superb British 1826 Proof gold Two Pounds George IV FDC, and along with a Five Guineas 1687 and a Gothic Crown, this forms part of a small but quality selection of British coins.

The rarities in Sale 96 keep on coming with three Kookaburra Pennies on offer, a Type 3, Type 6 and Type 12. The Type 3 and Type 6 examples of this attractive and rare issue have been missing from auction for a period of time, so the pent up demand is sure to be high for these two lovely examples. Four 1930 Pennies in assorted grades, three Adelaide Pounds, a Taylor Pattern Sixpence in silver, two 1921/22 Overdate Threepences and a large selection of rare Pre Decimal proofs including a 1938 Crown showcase the depth of rare material on offer in Sale 96.

There are over 1,000 lots of Australian Pre Decimal gold, silver and copper issues, both PCGS graded and raw, which includes an old, almost complete set from the 1950's with a number of key coins in high grade including a GEM 1933 Shilling that presents an enviable selection of commonwealth coinage not seen in recent years. Sale 96 also features part one of a large gold collection of more than 350 Sovereigns and Half Sovereigns from Bullion to UNC, rare quality coins and a quantity of large natural gold nuggets along with twenty Perth Mint Proof gold sets from 1986 to 2005.

Banknote highlights feature a unique Union Bank of Australia Superscribed 20 Pound (one of only two known 20 Pound Superscribed issues) ex the Ray Jewell, Walscott and Dr Alan Nicholson collections. This note is one of the absolute key banknote rarities to be offered in the market in

recent years and is one of three rare Superscribed issues on offer in Sale 96, part of over fifty lots of rare Pre Federation banknotes on offer.

Another of the banknote highlights is an old collection of Pre Federation issued and specimen notes, including a number of original printing plates used in the printing of these notes. The highlight of this amazing collection is a unique complete set of Bank of New South Wales issued notes from One Pound to One Hundred Pounds with the printing plates for every note (except for the Fifty Pound). This museum quality set is sure to draw widespread interest both for its rarity and historical significance. Sale 96 also comprises of a large selection of over 400 Pre Decimal and Decimal Banknotes, Starnotes and Specimens, First and Last Prefixes, Test notes, Error Misprints and much more.

Another old estate features (amongst other things) a large selection of over 250 RAM Mint rolls from 1966 to 1974, including a number of the scarcer and rare dates, which are highly-prized by current collectors. We hope that everyone enjoys this fantastic selection we have for you in Signature Sale 96.

Keep an eye out for our upcoming next major auction; Signature Sale 97 in March 2023! Cataloguing is already underway, with the balance of several "Part 2" collections from Sale 96 to be offered in Sale 97. If you would like to take advantage of the strong market conditions of our auctions and consign, then please contact us ASAP. Interstate shipping (with full insurance should you wish) can be arranged to ensure a smooth and efficient service from start to finish. Contact us NOW or see the website for details to consign directly and for upcoming auction dates and details.

Terms And Conditions of Sale

Please read the following "Terms of Sale" carefully. These terms are applicable to all floor, postal and online bidders in this auction. Submission of bids in this Auction constitutes your full acceptance of these "Terms of Sale".

1. All Bids expressed either via Online or live in the saleroom shall remain valid until the fall of the gavel or auctioneer's call of "Sold". All sales are then final. Any bid(s) from any source as acknowledged and relied on by the auctioneer shall not be withdrawn. Bidding in this auction in any way confirms that the bidder personally guarantees all payments, and acknowledges and accepts the Terms and Conditions of sale as set out herein. The auctioneer has final discretion in all such matters. In case of a dispute, the lot(s) in question may be immediately resold. The auctioneer as represented here includes International Auction Galleries as an entity.

2. Auction payments must be made in full within 14 days of the sale date. No lots will be released until payment in full has been made. Payment may be made in Cash, by Personal Cheques (with proper identification, at the discretion of International Auction Galleries) by Bank Transfer or Major Credit Cards as stipulated. Successful Online/Postal bidders will be notified and issued an auction account. All such accounts must be fully finalised within 14 days of the sale date.

3. A 22% buyer's premium will be added to the knock down price of each lot (includes GST where applicable). Payment by Visa and Mastercard is welcome with no surcharge. **We do not accept AMEX.**

4. Unless otherwise specifically stated by the auctioneer, each new bid shall be raised above the previous bid by such amount as is determined by the auctioneer during the course of the auction, and no party shall be allowed to retract his or her bid after acknowledgment by the auctioneer.

5. The auctioneer reserves the right(s) to refuse any bid, withdraw any goods from sale at any time, or disclose reserves or vendor information without having to state any reason.

6. At the fall of the hammer, (if required by the Auctioneer), the purchaser shall give his or her full name and address, and pay 25% of the purchase price deposit. In default, the lot(s) purchased may, at the auctioneer's discretion, immediately be reoffered and resold. All lots sold will remain the property of the owner/vendor until cleared payment is made in full. Only then will the title of ownership of the lots pass to the purchaser, irrespective of any terms or deferment of payment. Payment on approved dealer/trade accounts must be cleared and finalised within 28 days of sale.

7. Except as otherwise provided by state or federal law, no condition or warranty is given or implied by the auctioneer in respect of any lot offered for sale via auction. As all lots are given for inspection prior to the commencement of the sale, it shall be presumed that the goods have been inspected and that the purchaser accepts the goods are sold with all faults, and all lots are sold as is, on the basis of Caveat Emptor. No error or mis-description of any lot shall give cause for an invalidation of sale or an abatement of price, and the auctioneer shall not be held responsible for any such error, despite all care being taken. All lots are inspected and offered in good faith to the best of our determination to be genuine as described (except where so noted), however no guarantee is undertaken with respect to refunds on this basis.

8. The auctioneer shall not be liable for any description or mis-description given on any of the goods presented here for sale in any way. Any statement as to the description of goods is given as a statement of opinion only as represented to the auctioneer, and is not to be relied on as a representation of fact. Whilst every effort is made, the auctioneer gives no warranty that the quantities or any grading given with respect to the description of any lot as stated is correct. All images used are given as a guide only, and are not guaranteed to be an accurate representation.

9. No lots purchased by a bidder may be returned, including those lots where the bidder is acting as agent for another. There are no returns or refunds except for reason of lack of authenticity (as is stated in clause 7 and 8 above detailing liability). It

is assumed that all intending bidders (including all postal and internet bidders) have obtained their own satisfaction and/or done due diligence on all lots before submitting any bids in any manner, and all bids thusly submitted are subject to the full terms and conditions of sale. Items purchased and submitted to third party grading immediately voids any and all further rights of return. The auctioneer accepts no responsibility for any mistakes in any postal or phone bidding conducted. Late remittance of payments constitutes just cause for revocation of all return privileges. In the event that a bidder is acting as an agent for another party, and that agency has not been disclosed to the auctioneer in writing 24 hours before the sale date, then the bidder is deemed by the auctioneer to be the final buyer in all respects, and is fully responsible for all payments, fees and charges. **In no event may any lot(s) be returned after Twenty One (21) days from the date of the auction. All sales are then final.**

10. If any purchaser fails to comply with any of conditions of sale as outlined here or if any monies paid in any way given on settlement of account for any goods is dishonoured or unfulfilled, then any monies which the purchaser has paid to the auctioneer on account of the purchase shall then be forfeited absolutely to the vendor. The auctioneer acting as agent for the vendor is at liberty to re-sell the lot(s) in any manner and upon such terms and conditions as they may deem proper and/or to then sue the purchaser for any loss or resulting damages as set out below. Damages include all losses and expenses incurred by the vendor or the auctioneer as well as all damages which the vendor or the auctioneer may sustain resulting from any re-sale, storage, debt recovery, legal fees and/or court costs which shall then be recovered from the purchaser as liquidated damages. The auctioneer (acting on behalf of the vendor) in the event of such resale is also entitled to the expenses as set out below:

a) The total amount of any and all commissions and/or buyers premiums applicable or any other fees and commissions lost as a result of the purchaser defaulting on the purchase.

b) The full cost of advertising and all other expenses related to re-sale as deemed necessary, including recovery and legal fees, court costs, interest, storage costs and insurance charges.

c) Any differential in price from the initial sale price to the price achieved in re sale of the item(s).

11. A service charge of 2% compound per month (or part thereof) will be added to overdue accounts (28 days after the date of Auction is the overdue period for all unpaid accounts). In any event the title of any lots sold will not pass to the purchaser until the full amount of the purchasers auction account has been fully paid and remitted to the vendor, including any other service charges, storage or any other fees resulting from any late payments.

12. Estimates are given as a guide, and not given as starting points for bidding: Lots may sell for a price greater or less than these estimates. All prices are in Australian Dollars.

13. Postage and Insurance: If a purchaser declines to pay the mandatory insurance charge applied to their account for cover during shipping/postage then they shall assume all responsibility for that item(s). Any possible loss or damage to that item(s) shall then be the purchaser's responsibility.

14. By accepting these Terms and Conditions and making any bid, the bidder guarantees that they have the funds or ability to pay for any and all items bid on (including any buyer's premiums, insurance and postage as required) within the stipulated timeframe as set out above and as part of the Auction Terms and Conditions.

15. All images, text and information supplied in this catalogue remain the property of International Auction Galleries, and may not be used or transmitted in any way without prior written permission. Note - Images may not be shown to scale.
